### Chapter 1: Introduction to SEO

#### What is SEO?

"Welcome to our first lesson in the 'SEO for Beginners' course. In this, you'll learn the fundamentals of Search Engine Optimization, commonly known as SEO. SEO is the art and science of making your website more visible to search engines like Google and Bing. But why is this visibility important? Simply put, the better your site ranks on these engines, the more likely people are to find it when they're searching for information related to your business or service."

#### Importance of SEO in Digital Marketing

"One of SEO is your digital calling card. It helps you attract visitors organically, without paying for
