Let'S Go Camping Marty Suydam,2018-02-28 This book is a collection of memories by a group of old Scout friends In the centennial year 2017 of celebration of the founding of Camp Glen Gray we cant recount periods other than when we were Scouts at Glen Gray but our story might be considered fun reading by other generations All of those involved in this writing project left the camp by the mid 1960s and have only returned for anniversaries or never Regardless the creation of our story brought old friends back together as though no time had passed The sharing of events and anecdotes by email and critique of stories as they unfolded helped sharpen our memories More often we were surprised as we found out about things we didnt know in the first place While it might go without saying it ought to be said we as Scouts boys to teenagers to adults experienced something unique that was the Scouting experience associated with Camp Glen Gray To us Camp Glen Gray is a special place in all the world While its memories can be preserved in writing pictures and our own memories it is a place that ought to be preserved so that others can look at Lake Vreeland from the bridge and have dreams forever In 2017 the bridge over the dam spillway was been removed It is hoped that any proceeds from the sale of this book would go to restoring the 1950s cover picture view in our memories and in reality
