This book is written in hopes that it would be a tool alongside your bible when studying the Word of God I hope that it enhances your study and your growth in relationship to God and the Church I ve noticed that some teachers and preachers do not use an Old Testament story in their presentation instead they use only New Testament verses of Scripture Perhaps the Old Testament stories appear too long or difficult for hearers to understand But in this book I have made it easy to read about the Old Testament stories Like in my first book written in 2014 entitled All the Miracles of Jesus from the New Testament each story in this collection of Old Testament stories is short and written in easy language for the reader to understand In reading this book you will find that God has given us lots of interesting stories in the Old Testament of the Holy Bible It is my hope that you will discover a new love for the written Word of God in the Old Testament and that you will always have a collection of the Old Testament stories in your possession God Bless You Elder McKinley Wells
