## **Selected One Act Plays:**

*Ten Selected One-act Plays, Chosen by M.H. Fuller* Ten Selected ...,1944      **Selected One-act Plays for Radio**  
Ireneusz Iredyński,2002 This vibrant anthology of radio plays features works by one of Poland's angry young men  
playwrights Ireneusz Iredyński made his debut in literature as a Polish angry young man in the late 1950s He moved with  
great versatility from verse to stage plays film scripts and plays for radio While some of the plays in this collection seem to  
present a bleak view of life they show a gentler side of Iredyński Here it is people's dreams rather than their worst  
nightmares that are explored In these plays situations are kept simple and the theatrical technique is spare and economical  
but yet the playwright demonstrates an unfailing theatrical flair and shows himself a master of dramatic tension and the final  
unexpected twist      **Selected One-act Plays of Horton Foote** Horton Foote,1989 This volume brings together seventeen  
one act plays by the distinguished American playwright and screenwriter Horton Foote Like his acclaimed Orphans Home  
Cycle these one act plays are about the men and women of Harrison Texas a quiet farming town turned bedroom community  
to neighboring Houston Harrison is a place in transition where the old ways are fast being replaced by a new order whose  
values are money and professional success Against this backdrop of change Horton Foote tells tales of grief and rebirth  
despair and healing going away and coming home The first eight plays in this volume were presented on television between  
1952 and 1954 at the height of the Golden Age which saw Foote Paddy Chayevsky and others achieve national recognition  
recognition for the memorable work presented on Playhouse 90 Philco Television Playhouse and other pioneering showcases  
of serious drama The nine plays which complete this collection were first produced on stage some three decades later  
decades which saw Foote win new acclaim as author of two Academy Award winning screenplays To Kill a Mockingbird and  
Tender Mercies and the Oscar nominated The Trip to Bountiful Though linked to Foote's earlier work these nine plays of the  
late seventies and the eighties are marked as well by revealing dissimilarities The subtle evolution of style and theme in the  
playwright's work is explored by Gerald C Wood in his insightful introduction and headnotes to the plays Foote's own  
fascinating comments on his continuing commitment to the one act form preface this invaluable collection      **Ten Selected**

not preclude collaboration in theatre these concepts can and should be complementary Students will develop their abilities
