Thinking Like a Director Michael Bloom,2001-10-17 Concise and engaging Michael Bloom s book is for anyone who has ever uttered the phrase But what I really want to do is direct BOOK JACKET **Practical director, second edition (The).** M. Crisp,1996 *On Freedom* Nicholas J. Pappas,2014-03-01 The notion of freedom is essential to America s view of itself as a democratic and individual based society In this philosophical dialogue characters assess the many facets implications and apparent contradictions inherent in this deceptively complex idea Seventy nine short segments provide food for thought even in stolen moments of reading pleasure The book sparkles with intellectually stimulating views Drawing on the tradition of the Platonic dialogue *On Freedom* explores what freedom is and what it means through the discussions of two characters Director and Friend Topics include Slavery Responsibility Anarchy Wealth Love Courage Authority Inhibition Happiness Discipline Vigilance The characters arrive at no simple or absolute definition of freedom But that doesn t mean they don t finish with a better idea of what freedom is than when they started If anything they come to appreciate the need for clarity about their subject And they come to see that such clarity necessarily involves complexity Readers with no philosophical training can enjoy this book while readers with a philosophy background can enjoy the way it treats an old familiar theme with a lighter touch Families will value *On Freedom* for enabling younger readers too to explore philosophic ideas of general interest and importance [Infant and young child feeding counselling: an integrated course.
