Leckman, Catherine Panter-Brick, Rima Salah, 2014-11-21 Experts investigate the role of child development in promoting a culture of peace reporting on research in biology neuroscience genetics and psychology Can more peaceful childhoods promote a culture of peace Increasing evidence from a broad range of disciplines shows that how we raise our children affects the propensity for conflict and the potential for peace within a given community In this book experts from a range of disciplines examine the biological and social underpinnings of child development and the importance of strengthening families to build harmonious and equitable relations across generations They explore the relevance to the pursuit of peace in the world highlight directions for future research and propose novel approaches to translate knowledge into concrete action The contributors describe findings from research in biology neuroscience evolution genetics and psychology They report empirical evidence on children living in violent conditions resilience in youth and successful interventions Their contributions show that the creation of sustainable partnerships with government agencies community leaders policy makers funders and service providers is a key ingredient for success Taken together they suggest possible novel approaches to translate knowledge into concrete action Building New Pathways to Peace Noriko Kawamura, Yōichirō Murakami, Shin Chiba, 2011 Japanese and American scholars explore new multidisciplinary ways of thinking about peace and how to achieve it Noriko Kawamura is associate professor of history at Washington State University Yoichiro Murakami and Shin Chiba teach at the International Christian University in Tokyo *From Passion to Peace, Or, The Pathway of the Pure* James Allen, 1910 **Pathways of Peace** Romina Gurashi, 2018-10-10 This book explores the close interconnection that exists between sociological and philosophical scholarship in relation to peace studies Through an examination of the thought of nine leading philosophers and sociologists in their historical and geographical context the author considers notions of nonviolent resistance pacifism and reverse strike

as well as violence theories of conflict theories of conflict resolution the problem of war and political transitions towards democratization Engaging with the work of Thoreau Gandhi Ghaffar Khan Capitini Dolci Bobbio Galtung Sharp and Weil and considering the institutionalisation of peace research this volume will appeal to scholars and students of sociology politics and philosophy with interest in peace and security studies and conflict **Peace Pathways**, 1941 **Pathways to Peace** Haynes-Klassen, Joanne, 1990 **Story-Formed Pathways to Peace** Dalton Reimer, 2018-09-11 The Book Story Formed Pathways to Peace calls readers to action around a single vision making peace a reality It draws on the unexpected power of stories to transform the world The stories retold here have resonated through the ages not only with those religious but also with thinkers artists musicians and others who have seen in them universal patterns of behavior Now retold with commentary as seen through the lens of conflict and peacemaking they illuminate pathways to peace as relevant today as when first told Each chapter is fronted with imagined headlines of the ancient story with actual parallel headlines from the present thus highlighting this connection of past and present It is then in going back that pathways toward peace are illuminated for the present and future The wisdom tradition of sacred texts is hereby extended Pathways to Peace Mercedes L. Miller, 2007-03 Meditations for a Tranquil Life Choose peace with simple and unique prayerful meditations for your mind home and daily routines *Pathways to Peace* Victor La Cerva, 1997-10 Forty steps to a less violent America With practical guidelines that range from bullyproofing children to exploring the essence of peacemaking this book offers timely insights and constructive resources for decreasing violence in our homes schools and communities *Sensemaking for Security* Anthony J. Masys, 2021-05-31 This book presents sensemaking strategies to support security planning and design Threats to security are becoming complex and multifaceted and increasingly challenging traditional notions of security The security landscape is characterized as messy and wicked problems that proliferate in this age of complexity Designing security solutions in the face of interconnectedness volatility and uncertainty we run the risk of providing the right answer to the wrong problem thereby resulting in unintended consequences Sensemaking is the activity that enables us to turn the ongoing complexity of the world into a situation that is comprehended explicitly in words and that serves as a springboard into action Weick Sutcliffe Obstfeld 2005 It is about creating an emerging picture of our world through data collection analysis action and reflection The importance of sensemaking to security is that it enables us to plan design and act when the world as we knew it seems to have shifted Leveraging the relevant theoretical grounding and thought leadership in sensemaking key examples are provided thereby illustrating how sensemaking strategies can support security planning and design This is a critical analytical and leadership requirement in this age of volatility uncertainty complexity and ambiguity that characterizes the security landscape This book is useful for academics graduate students in global security and government and security planning practitioners The Women, Peace and Security Agenda Laura J. Shepherd, 2021-09-26 The Women Peace and Security WPS agenda is comprised of the policies protocols and practices enacted by a wide range of

actors inspired by or under the auspices of the UN Security Council resolutions adopted under the title of women and peace and security Since the adoption of the first resolution in 2000 resolution 1325 there have been nine others each of which elaborates or extends aspects of the original resolution This book provides a forward looking collection of scholarship on the WPS agenda in two halves The first half of the book presents a series of essays that each provide a glimpse of the rich and insightful research on WPS being undertaken in and about different contexts to demonstrate the importance of centring the local as a site of knowledge production in the WPS agenda The essays presented in the second half of the book also engage questions of knowledge production documenting the exploratory methods in use in WPS scholarship and highlighting those topics engaged at the hinterlands of what is a broad field topics that gesture at the future of research in this area The chapters in this book were originally published as special issues of the International Feminist Journal of Politics *The Rotarian*, 1926 **The American Stationer**, 1894 **Pathways for Peace** World Bank Group, United Nations, 2018 **Pathways to Peace Inclusive Approaches to Preventing Violent Conflict** a joint World Bank and United Nations study reaffirms that prevention is universal takes time to accomplish and is part and parcel of economic and social development Catalog of the Peace Collection Swarthmore College. Peace Collection, 1982 Napoleon Hill's Pathways to Peace of Mind Napoleon Hill, 2023-02-21 From the Napoleon Hill Foundation comes a collection of never before published writings from Napoleon Hill author of *Think and Grow Rich* and *Outwitting the Devil* on obtaining the greatest of all the riches available to human beings peace of mind Although Napoleon is famous for his insight on building financial wealth he ultimately believed that the greatest success in life was not monetary and that true riches came from the peace of mind one achieves by helping others The writings contained in this book will guide you toward this priceless asset so you can enjoy Mastery over all forms of worry Freedom from fear and self doubt Control over one's thoughts The ability to close the door on the sorrows of the past The magic power of belief And much more Included is a manuscript that was discovered by J B Hill Napoleon's grandson and a trustee of the Napoleon Hill Foundation that had been given to his father in the 1950s Titled *How to Get Peace of Mind* it was intended to be released as a series of newspaper columns but for reasons unknown was never published It is presented here for the first time along with a previously unpublished excerpt from an unfinished autobiographical work by Napoleon written in 1947 and several editorial essays written by Napoleon and published in 1919 and 1920 in his magazine *Hill's Golden Rule* All explore the subject of attaining peace of mind The final chapter in the book features a previously unpublished transcript of a 1948 radio program in which Napoleon disclosed what single ability is essential to achieving success and happiness There is no greater freedom than that which peace of mind brings Chart your own course to a serene mindset with help from Napoleon Hill's *Pathways to Peace of Mind* **Peace Action**, 1948 Voice of peace from the Nation's capital **Pathways of Peace and Being Essence: Keys to the Kingdom** Jasmuheen, 2013-07-04 **PATHWAYS OF PEACE** In order to move to the next prophesied level we need to unify in love and focus on paradigms that

honour and respect all life There is no mystery to the experience of Divinity the workings of energy fields are quite simple What we focus on grows we all know this Some say that it is time also now to focus on pathways of peace on things that bind and unify us a new operating system The question is can we all go beyond all current day struggle to experience inner and outer lasting peace And if so how Is there a science or a system we can use for planetary refinement into peace Is there a step by step process that we can adopt The answer is yes and so we welcome you now to the poetic insights and pragmatics of our paths of peace BEING ESSENCE In Being Essence the second part of this book Jasmuheen shares of her lifelong love affair with her Essence with Its ability to nourish us and bring our world into a state of permanent peace
