Pathways through Spirituality Jean Bakula,2011-09-26 Life can become complicated at times necessitating a diversion from our difficulties Jean Bakula found hers when she mastered the reading of Tarot cards The Rider Waite Tarot is fascinating because there is a card which illustrates each kind of circumstance found during life The Major Arcana cards represent serious issues family relationships education religion love strength fear addictions sex death balance health personal growth and redemption The Minor Arcana cards depict everyday dealings home life work money hobbies comfort issues and the people we frequently encounter *Pathways Through Spirituality* describes what Jean Bakula sees in the cards and paints vivid word pictures The poetry for each card can be used to learn to read the Tarot but each piece stands on its own as well These pieces can assist readers in meditation on confusing experiences and decisions they face Some believe the Tarot is only a fortune telling device but it urges introspection and promotes honest reflections on our actions This book can help readers view their problems and strengths more clearly and help them uncover their deeper motivations and potentials The answers to your questions are

Pathways to Spirituality Bill O'Hanlon,William Hudson O'Hanlon,2006 From bestselling author Bill O Hanlon comes a groundbreaking book about how spirituality can serve as a powerful tool to help therapists make stronger connections with their clients and help clients find deeper meaning in their lives **SPIRITUAL PATHWAYS** Paul E. Stiffler,2009-10-15 It did not start out that way what began as a simple letter mailed to a few friends has now emerged as this book taking the form of practical spiritual thoughts and actions that center around the seasons of the church and calendar year Encouragement came like so many birds filling the sky singing to lift the dawn that I might see a new day Their music lifted my soul Words of interest asking when this material would be published became the incentive for publication Years of celebration involving the seasons that touch our lives so deeply moved within me The high seasons and holy days never failed to provide a deep inspiration in my soul It is from these moments that I compose the words and images that are found in this book Following Spiritual Pathways A pathway to spiritual growth is open to those who seek in quiet moments an awareness of the Divine Here the mind will inform the heart and the heart will illuminate the mind forming a spiritual circle that gives balance to life Each page invites you to enter an experience expressed in poetic form along with a guided imagery that can turn these quiet moments into a meaningful life experience This pathway reflects my personal journey of meditation that began in 1977 under the guidance of Sister Virginia Mary Barta of Marionjoy in Wheaton Illinois and the urging of Rev Dean Williams the Chaplain Since then I have shared what I experience as my mind informs my heart and my heart illuminates my mind **Pathways to Spirituality** Sidney Greenberg,2001 *Pathways to Spirituality and Healing* Alexa W.
