

Middle Heart

Erlend Gehlken

Middle Heart:

Love Comes Dearly Marie Warner, 2014-10-10 Amanda Fletcher finds herself pregnant during the last semester of college Her college boyfriend abandons her before his son is born Her mother cares for the baby while she travels throughout the States to find meaning to her life She realizes that she is needed at home and hitchhikes her way back to Amarillo She stops at a stock tank on a ranch in Western Oklahoma to get water and a bath She encounters the owner who rescues her from a curious calf and shows her what a normal life on a working ranch is like and what life could be between people who love each other Their difficulties run the gamut of an allergic reaction protecting the herd from feral dogs and an unwanted powerful great grandfather helping a wounded veteran who is still fighting his war battles finding out what they want from each other and finding a way to blend two very different families

Typological Change in Chinese Syntax Dan Xu, 2006 This new interpretation of the early history of Chinese argues that Old Chinese was typologically a mixed language It shows that though its dominant word order was subject verb object this coexisted with subject object verb Professor Xu demonstrates that Old Chinese was not the analytic language it has usually been assumed to be and that it employed morphological and lexical devices as well as syntactic means She describes the typological changes that have taken place since the Han period and shows how Chinese evolved into a more analytic language supporting her exposition with abundant examples She draws where possible on archaeological findings in order to distinguish between versions of texts transmitted and sometimes modified through the hands of generations of copyists The author focuses on syntactic issues including word order verbs causative structures resultative compounds and negation but also pays close attention to what she demonstrates are closely related changes in phonology and the writing system The book will interest scholars and graduate students of Chinese linguistics philology classical literature as well as general linguists interested in word order typology and language universals It may be also be used as a text for advanced courses in Classical Chinese and Chinese diachronic syntax

Cynewulf's Elene Cynewulf, 1889

Weather Omens of Enūma Anu Enlil Erlend Gehlken, 2012-08-03 The Assyro Babylonian omen series En ma Anu Enlil written on seventy cuneiform tablets bears witness to the early understanding of the mutual interactions of heaven and earth on both the physical and the religious levels To facilitate accessibility technical and linguistic commentaries as well as an excerpt series were compiled by the scholars of old This ancient knowledge which was still largely characterized by mythological concepts was never completely abandoned not even when the calculating astronomy became prevalent in the first millennium B C The series deals in four parts with the moon the sun weather phenomena and fixed stars and planets This book offers an edition of the texts of the second half of the weather section with the accompanying material
