## Midwinter Day:

**Midwinter Day** Bernadette Mayer, 2014-08-01 Perhaps Bernadette Mayer's greatest work *Midwinter Day* was written on December 22, 1978, at 100 Main Street, Lenox, Massachusetts. *Midwinter Day*, as Alice Notley noted, is an epic poem about a daily routine. A poem in six parts, *Midwinter Day* takes us from awakening and emerging from dreams through the whole day: morning, afternoon, evening, night, to dreams again. A plain introduction to modes of love and reason. Then, to end, I guess with love, a method to this winter season. Now I've said this love; it's all I can remember. Of *Midwinter Day*, the twenty-second of December: Welcome sun at last with thy softer light that takes the bite from winter weather and weaves the random cloth of life together and drives away the long black night. *The Weird Sister Collection* Marisa Crawford, 2024-02-13 Collecting the best of the underground blog *Weird Sister*, these unapologetic and insightful essays link contemporary feminism to literature and pop culture. Launched in 2014, *Weird Sister* proudly staked out a corner of the internet where feminist writers could engage with the literary and popular culture that excited or enraged them. The blog made space amid book websites dominated by white male editors and contributors and also committed to covering literary topics in depth when larger feminist outlets rarely could. Throughout its decade-long run, *Weird Sister* served as an early platform for some of contemporary literature's most striking voices, naming itself a website that speaks its mind and snaps its gum and doesn't apologize. Edited by founder Marisa Crawford, *The Weird Sister Collection* brings together the work of longtime contributors such as Morgan Parker, Christopher Soto, Soleil Ho, Julián Delgado, Lopera, Virgie Tovar, Jennifer Tamayo, and more, alongside new original essays. Offering nuanced insight into contemporary and historical literature in conversation with real life and timely social issues, these pieces mark a transitional and transformative moment in online and feminist writing. *Antarctic Journal of the United States*, 1994 *Attention Equals Life* Andrew Epstein, 2016 Poetry has long been thought of as a genre devoted to grand subjects, timeless themes, and sublime beauty. Why then have contemporary poets turned with such intensity to documenting and capturing the everyday and mundane? Drawing on insights about the nature of everyday life from philosophy, history, and critical theory, Andrew Epstein traces the modern history of this preoccupation and considers why it is so much with us today. *Attention Equals Life* argues that a potent hunger for everyday life explodes in the post-1945 period as a reaction to the rapid, unsettling transformations of this epoch, which have resulted in a culture of perilous distraction. Epstein demonstrates that poetry is an important and perhaps unlikely cultural form that has mounted a response and even a mode of resistance to a culture suffering from an acute crisis of attention. In this timely and engaging study, Epstein examines why a compulsion to represent the everyday becomes predominant in the decades after modernism and why it has so often sparked genre-bending, formal experimentation. With chapters devoted to illuminating readings of a diverse group of writers, including poets associated with influential movements like the New York School language poetry and conceptual writing, the book considers the variety of forms contemporary poetry of everyday life has taken and analyzes how gender, race, and

political forces all profoundly inflect the experience and the representation of the quotidian By exploring the rise of experimental realism as a poetic mode and the turn to rule governed everyday life projects Attention Equals Life offers a new way of understanding a vital strain at the heart of twentieth and twenty first century literature It not only charts the evolution of a significant concept in cultural theory and poetry but also reminds readers that the quest to pay attention to the everyday within today s frenetic world of and social media is an urgent and unending task My Neighbor Thomas D.
