Might is Right: The Authoritative Edition Arthur Desmond, Ragnar Redbeard, 2019-04-23 Nothing is true nothing is sacred all things are open to you blessed be the Vanquishers A truly authoritative edition of Might is Right by Ragnar Redbeard The variant text of five original editions harmonized into one with thousands of previously undocumented footnotes and citations New introduction by Peter H Gilmore High Priest of the Church of Satan Newly indexed Might is Right is a book of action and not belief It is poetry not a platform Since the first edition in 1896 Might is Right has inspired those across a dynamic political and philosophical spectrum The consistent core of the work is this the individual is against everything but the self and any means of proliferation of the self is the only good Might is the power of the individual and that is the only foundation of Right Published in 1896 Might is Right went through five editions during the lifetime of Ragnar Redbeard who had just moved to America escaping the law in Australia Every one of these had a plethora of changes and reversions many subtly coloring the meaning of the text others leaving literal gaps on the printed page where words were physically removed from the printing plates Now Might is Right The Authoritative Edition not only reveals one authoritative text but adds thousands of citations and notations to reveal a much greater story underneath the text Every literary reference is cited every name is given biographical sketch Redbeard's voice is given echo in some of the contemporary and historical figures that his ideas of an amoral philosophical egoism are in accord with Magus Peter H Gilmore provides an introduction that gives context to the book and how it was deconstructed and used to create the first chapter of Anton Szandor LaVey's diabolically self-deifying The Satanic Bible It is surely one of the most incendiary works ever to be published anywhere Redbeard surely undermined the largest part of the rationale to which conventional society appeared to be anchored James J Martin Laurance Labadie Selected Essays 1978 *Might is Right* Ragnar Redbeard, Arthur Desmond, Peter H Gilmore, 2020-11-05 The Authoritative Edition of Might is Right by Ragnar Redbeard The variant text of the five editions published in the author's lifetime harmonized into one Thousands of previously undocumented citations and a never before published index Featuring a new introduction by Peter H Gilmore High Priest of the Church of Satan **Might is Right** Ragnar Redbeard, 1921 **Might Is Right** Ragnar Redbeard, 2016-11-06 FULL unedited version A no holds barred philosophical venture into the meaning of the Jewish origins of Christianity of nature over nurture might over morals of power over weakness the right of the strongest to rule the survival of the fittest and the belief that the world is governed by force not by religious or moral creeds Might Is Right Ragnar Redbeard, Arthur Desmond, 2021-08-20 For nearly two hundred pages phrase after phrase descends like a club bent upon smashing to flinders the church and state at which it is aimed Liberty October 1933 Might is Right is a frank and brutal look at the world we live in There is no comfort to be found within its pages but there is truth Instead of faith and idealism Might is Right offers only one solution to the troubles that plague human society MIGHT is the power of the individual and that is the only foundation of RIGHT Originally published in

1896 *Might is Right* inspired a wide array of social and political movements From radical socialists to Satanists egoists to anarchists and every flavor of freethinker in between *Might is Right* has left an indelible mark on the very society it condemns Banned by booksellers and condemned by censors *Might is Right* is one of the most infamous and dangerous books ever written Tiffany Thayer the founder of the Fortean Society referred to Ragnar Redbeard as The Nietzsche of Chicago the Max Stirner of Evanston Whether Arthur Desmond the man behind the mask lived up to those comparisons is a matter of debate as his life s story is still revealing itself more than a century later What we can say for certain is that the brutal nature of Ragnar Redbeard s magnum opus will inspire and disgust anyone who dares read it Featuring a brief introduction by Kevin I Slaughter this Underworld Amusements paperback is a full facsimile of the 1927 edition of *Might is Right* by Ragnar Redbeard originally published by Dil Pickle Press of Chicago It was the last edition of the book published during the author s lifetime and its printing was overseen by the man himself At long last we can once again read *Might is Right* exactly as Ragnar Redbeard intended it to be read in all its pure unadulterated fury
