Doing It Wrong? William N. Rappa Jr.,2008-02-15 Have you ever known one of those individuals who loves his family and friends too much is passionate about his calling is entirely too sensitive to the plight of others and is totally mystified by those who live by the everything in moderation mantra If not allow me to introduce James Thurber Russell Doing It Wrong relates the odyssey of a dedicated passionate educator a father figure to his students a magnetic personality possessing an outrageous uncensored sense of humor a loving husband father son and friend who constantly seeks his conception of the ideal while being detoured by the real world The events and people populating his world the evaluation of his and their many life altering decisions and the consequences of those actions reveal the story of a man who thought he was doing it so right in a world that told him he just might be doing it wrong The novel explores JT's growing disenchantment with the profession he once loved which he now views as compromised and misdirected by well intentioned misguided outside political influences The tale examines the bonds and bounds of loyalty loss and survival the responsibilities and demands of intimacy poor life choices and second chances wanting as opposed to having predestination and free will selflessness versus selfishness and the illusion of happy endings The dialogue is frank touching humorous sexual and perhaps shocking Strong character development lends itself to a genuine care and concern for some characters and a distaste and repulsion for others Welcome to JT Russell's world of Doing It Wrong
