training phase emphasizing the easy patient way the movements should be presented to the horse The spirit blending starts with the mare first then progresses to the unborn foal This special attention is continued right through the birthing process with the highlight coming at two years of age when the young horse is ridden for the first time The foal is first taught to lead and soft tie at one and two days old By the time it reaches two years of age it has been taught to readily load into a trailer stand tied yield to rope pressure from each leg stand tied with a snubbed down head back on voice and body cues and to be ground led across country as well as ponyied from the mare I term the essential ingredient of my technique once the foal is born assurance pressure It creates a sound foundation and willing mind in a horse It is the glue that holds the spiritual blend together It lasts for a lifetime with your horse Praise for Spirit Blending Foals Before and After Birth An Old Way Continued Dear Mr Wadley I LOVE your book Spirit Blending Foals Before and After Birth An Old Way Continued It is a priceless bit of Western History and horsemanship and equine behavior Robert M Miller D V M Thousand Oaks CA **It'S a Matter of Degree** Craig Anthony Bannister,2014-05-29 This collection covers a volume of variegated moods for the heart and social intellect With varying styles it represents an eclectic sampler ranging from hot greasy and funky erotic expression to contemporary social commentary Much evolves over time and this collection is such an effort With some contemporary exceptions the primary genesis of Its A Matter of Degree began some years ago While styles have evolved over time the messages reflected in these pieces remain current and strong Life is still life love is still love and stuff remains stuff
