Price Advantage Workbook:

The Price Advantage Workbook Michael V. Marn, Eric V. Roegner, Craig C. Zawada, Rajneesh Suri, 2005-01-21 Pricing for any company in any industry is far and away the most sensitive profit lever available. Still, few companies or managers execute pricing well and most regularly miss valuable opportunities. Whether testing the techniques and knowledge gained from reading *The Price Advantage* or supplementing personal knowledge in the field, this companion workbook is essential. *The Price Advantage Workbook* is a comprehensive and insightful self-study guide that eases the understanding of the three levels of pricing from the broad industry view through product market strategy to day-by-day transaction management. Hard-hitting questions demonstrate why superb pricing strategy is critical for business success and profitability and explain state-of-the-art approaches to analyzing and improving pricing for any product or service. With a focus on translating pricing theory into real improvements and bottom-line performance, this workbook will help you improve your understanding of pricing concepts and strategy and give you a competitive advantage in any economy.

The Price Advantage Walter L. Baker, Michael V. Marn, Craig C. Zawada, 2010-06-08 A comprehensive look at creating pricing strategies that work in both good economic times and bad. Written by three preeminent pricing experts at McKinsey Company, the Second Edition of *The Price Advantage* is a practical pricing guide for the executive or pricing practitioner who wants to identify, capture, and sustain substantial pricing gains in their business. Pricing is by far the most powerful profit lever that managers can influence. Yet few companies approach pricing in a way that fully capitalizes on its value. This Second Edition, a major revision and extension of the first book, shows you what it takes to achieve the price advantage in today's competitive and complex business environments. Based on in-depth, first-hand experience with thousands of companies, this book provides managers with a pragmatic guide through the maze of pricing issues. It reinforces why pricing excellence is more critical than ever today and then explains state-of-the-art approaches to analyzing and improving your own pricing strategy and execution. Explores the fundamental role of pricing

infrastructure in achieving the price advantage Includes new topics such as software and information products pricing lifecycle pricing custom configured products pricing pricing of high count product lines pricing in distributed sales environments razor razor blades pricing and tiered products and services pricing Revisits the full range of classic McKinsey pricing tools including the pocket price waterfall and value maps Engaging and informative the Second Edition of The Price Advantage will put this essential discipline in perspective
