It starts by getting crystal clear on what you want AI to do for your business not what some app promises. You'll map out your goals, spot the repetitive tasks that eat up your day, and learn exactly where AI can step in to do the heavy lifting. From handling customer messages to generating content that still sounds like you, AI can become your personal assistant, marketing team, and sales strategist all in one. You'll get a carefully curated toolkit of free and affordable AI apps for every part of your business: customer support, marketing operations, content creation, and sales. You'll learn how to automate repetitive tasks without losing your personal touch so your customers feel cared for, not ignored. Imagine sending personalized follow-ups, collecting reviews, or welcoming new clients while actually freeing up your time to focus on what matters most. This book doesn't just stop at automation. You'll discover how to use AI to analyze your business data, spot patterns, and figure out what's really working, no spreadsheets or guesswork required. You'll learn how to optimize workflows, manage inventory, schedule projects, and make decisions faster, smarter, and with confidence. Plus, you'll see exactly how to put it all together into a simple weekly system that takes less than an hour to maintain, so AI becomes a permanent growth engine for your business, not just a shiny experiment. Packed with actionable exercises, real-world examples, and step-by-step guidance, *AI for Small Business* gives you a complete roadmap to harness AI's power without stress or tech headaches. Whether you're a solo entrepreneur, a small team, or just someone looking to work smarter, this book shows you how to reclaim your time, boost revenue, and run a business that actually works for you. Stop letting your to-do list control you. Stop spending hours on tasks that AI can handle. It's time to work smarter, delight your customers, and grow your business with AI, even if you've never touched an algorithm in your life. Your AI-enhanced business system is waiting, and it's simpler than you think. About the Author: My name is Meir Liraz, though you'll find this book under my pen name Tom Berty. I write the *AI for Entrepreneurs* series, combining decades of real-world experience with today's smartest tools. For over 30 years, I've built businesses, guided entrepreneurs, and explored nearly every corner of the small business world. Along the way, I've learned what works, what doesn't, and how to help others succeed faster. My goal is simple: to make entrepreneurship clearer, smarter, and more accessible for everyday folks. As far as entrepreneurship goes, I've been there, done that, and now I'm here to share what really works.
