The Karma of Untruthfulness Rudolf Steiner,2005 12 lectures Dornach January 1 30 1917 CW 174 Although these

lectures were given in 1916 they have much to teach us about today s political spin media distortions propaganda and

downright lies all delivered by the media on a daily basis Rudolf Steiner s calm methodological approach penetrates the

smokescreen of accusations and counterclaims illusions and lies surrounding World War I From behind this fog and under

the guise of outer events the true spiritual struggle is revealed Steiner s words give the reader a deeper understanding of the

politics and world conflicts that confront us today through the filter of popular media Amid the turmoil of World War I Steiner

spoke out courageously against the hate lies and propaganda of the time His detailed research into the spiritual impulses of

human evolution allowed him to reveal the dominant role that secret brotherhoods played in events that culminated in that

cataclysmic war He warned that the retarding forces of nationalism must be overcome before Europe can find its true destiny

He also emphasized the urgent need for new social structures in order to avoid such future catastrophes Political and social

changes around the world are moving at a breathless pace hurtling us all toward an uncertain future These lectures

illuminate much of what lies behind today s turbulent events and the scenes played out on the nightly news Like volume 1
