*Nothing Above (Foiled Cover)* A. Marie,2023-08-17 I was hired to steal something not someone But that changes when I see her asleep in her cushy marital bed We live in the same town but our worlds couldn t be more different So I insert myself in hers by getting a job working directly under her Seeing her every day isn t enough I want her nights too I want her everything including the secrets she refuses to share I don t care what I have to do or who I have to take on she will be mine Just when I think I have her I find out she s not who she pretends to be Not at all And those secrets I said I wanted They re bigger than the ones I ve been keeping from her
