Nude Thoughts:

Nude Thoughts Christine Lopez,2005-07-01 *Nude Thoughts* is a provocative collection of my deepest thoughts and emotions that I've brought to you through poetry. Written over a decade, this book chronicles my feelings from childhood through adolescence and toward womanhood in a jigsaw puzzle of poems. I bare my feelings about drug addiction, depression, madness, confusion, love, heartbreak, loneliness, hate, domestic violence, forgiveness, sex, acceptance, friendship, betrayal, vengeance, guilt, death, and remembrance. Like being stripped nude, I expose my experiences, fantasies, hopes, fears, and random thoughts. Though morbid in its mood, *Nude Thoughts* offers solace to those who wish to see the rainbow that the sky painted as I wrote about the storm. Each poem is a story with an open window, and the panes are the skeletons of the world. I want you to find your own meaning of my words. I want you to fill those bones with nude flesh. *Why Nude?* Howard Anderson,2016-10-19 In our enlightened modern world which celebrates multicultural diversity, it is not too much to ask to have complete freedom of dress for reasons of religion, culture, and personal belief. The World Naked Bike Rides have shown that this celebration of diversity has indeed extended at least in part to embrace social nudity in the UK and in many other Western countries. The author's personal experience of these rides and the reactions of others towards social nudity in settings outside of the traditional naturist clubs has resulted in this exploration of the whole issue presented here in the hope that others may come to understand better what many find to be an uplifting and affirming way of life. This work discusses being nude in a social setting. The author shows why people choose to live at least part of their lives without clothes, that doing so is very enjoyable, and that it offers a number of valuable benefits. The author also demonstrates how one can cultivate this freedom from pressure to conform in daily life. **Let Me Finish People Thoughts and Opinion** Franklin Watson,2013-05-23 God would give us new life. To Him, there were given ruler, ship, and dignity, and kingdom. Doing Jesus Christ 1000 year range, he will undo all of the harm caused by Satan.
