**I'm 64...** Rose O'Brien, 2013-01-03 **I'm 30 Now What: A Woman's Guide To Living A Life Of Choice** Ky-Lee Hanson, 2017-11-02 I m 30 Now What is a discovery through the perception of women born between 1977 1987 At the time of writing this book we are in our thirties There is something about our generation that never quite fit in a traditional sense Our authors are from or have lived in Canada USA Turkey Germany Barcelona and Europe yet there is a common feeling of displacement across the globe within our lost generation We were the first generation to have vast choices around education career and our role in the household We were able to stumble off the traditional path and survive We were raised in a very transitional phase from single to dual income households and grew up during the rise of broken homes We saw war for its true colors an industry and not an act of freedom the creation of the internet and watching it burst followed by an economic banking and housing crash We also saw positive change rapid gentrification spirituality equal rights gay rights and same sex marriage the everyday feminist and females running the workplace male nurses stay at home dads and moms to mompreneurs to childless women by choice finding commonalities outside of mommyhood As adults we view diversity and open mindedness as our way of life We didn t start all these trends but we are the outcome We were born to be a generation of change a generation of options Maybe instead of being the lost generation we were the born Choice Makers Yet we don t fully own this We CAN choose a life outside of a cookie cutter mold and we have the right to be unapologetic when doing so This book is a heavy controversial eye opener while being a tool for healing growth owning your power and embracing choice

*I Was Lost But Now I'm Found* Ernest Lopez, 2014-03-14 The search for a medieval archangel and yes a female archangel You see that was part of her penance to be forgotten by the church and its followers but it did not include ancient stories passed down through the ages mostly by those she helped She was known by many names in different parts of the known world In Italy she was known only as Louchiana She championed only the ugly the unwanted children wherever she went You see there was no one else Ancient legend has it that she was one of the Lord s favorites Most beautiful of all angels her wings much larger she could soar higher above all the rest The Lord sent her down to right a great wrong brought on by many that lived and died by the sword To them nothing else mattered to win made it right She did sweep down between two oncoming armies as they gasped in awe at her beauty but refused to stop She cut them all down with her mighty sword cutting and slashing away at both armies until none were left standing She left the bloody battlefield as she rose to the high heavens She knew she had gone too far and now must face her Lord Her sins were first vanity then came vengeance This alone belongs to her Lord She had shown her great beauty to both armies yet they would not stop so she cut them all down as they charged forward It was swift with no mercy All she could say was Please forgive me my Lord The Lord did love her He would not let Satan have her Instead she is charged with a penance a way to win back what is stripped away to champion the cause and the plight of the ugly unwanted children of the world for as long as it takes without her beautiful wings without her mighty sword and her beauty can only be used to help in any way the unwanted the ugly children yet she has only her womanly wiles that any earth bond woman possesses to survive and yes she too must risk death like her sisters How long she has been on earth is unknown You see it was first recorded during the First Crusade the only one won by the Christian armies A baron knight took her as his prize to let go women and children He left before the city fell He and his knights sailed for home a fortress that still stands today high up on a plateau on jagged rocky cliffs overlooking a small valley in Italy where a small village still works the fields and still lives as they did so long ago The story was known through the whole valley The old folks tell it the best to their young as it passes on through time If you have not heard the legend of La Louchiana the Archangel how can you judge if she ever was You know you could have already run across her and not even know it Next time you see an unmarked picture or statue of an angel with very large wings beautiful about twenty years old with deep wide brown eyes that seem to look deep into your soul holding this mighty sword or then again a painting or statue of a beautiful lightly clad woman with deep wide brown eyes no wings no sword but her beauty shocks you deep inside and to this day you still remember her or then she might have just passed you by This doesn t mean she never existed I can only say maybe you aren t ugly enough You see it never ends for her Next time you see a young beautiful woman with deep brown eyes look deep into them could this be You think You better find and read the story then decide
