**Sew Deadly** Jean Hager,2001-01-01 [Mystery Women, Volume Three \(Revised\)](#) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 [Wedding Duress](#) Elizabeth Lynn Casey,2015-04-07 The Southern Sewing Circle will win your heart Monica Ferris USA Today Bestselling Author Librarian Tori Sinclair is tying the knot as long as a murder

doesn't unravel her plans. Tori is ecstatic to become Mrs. Milo Wentworth in a few days, but she has a lot to do before she sashays down the aisle. Favors need to be sewn, vows need to be written, and a mystifying murder needs to be solved. When Beatrice, a fellow member of the Sweet Briar Ladies Society Sewing Circle, learns that her former nanny took a fatal fall in her new employers' home, she suspects the death was not an accident. Now Tori is spending her last days as a single woman, untangling rumors and stitching together motives to find a killer. But can she nab a murderer and make it to the church on time?

When a cantankerous Sweet Briar resident ends up six feet under, the ladies of the sewing circle have to deal with a town full of suspects. With the library's budget dwindling, Tori Sinclair is forced to let go of her predecessor and fellow sewing circle member Dixie Dunn. After losing her job a second time, Dixie decides to volunteer for Home Fare, delivering meals to the homebound. Less than a week after Dixie starts her client Clyde Montgomery is found dead. The police think he died of old age, but with most of the town badgering Clyde to sell his picturesque land, his passing seems a little too convenient. Determined to prove that Clyde was murdered, Dixie asks Tori for some sleuthing assistance. But with so many Sweet Briar residents in possession of a compelling motive, the sewing circle ladies will have to needle out the truth to find the killer.
