Pub Scene Interior Angles:

A Selective List of Plays for Amateurs ... Drama League of America. Boston Center, 1915 **Pub Scene** Jane Peyton, 2006-04-05 The pub scene across the world is characterised by its casual warmth and conviviality It has none of the pretences or formality of a restaurant or cocktail bar It is the relaxed setting in which friends and strangers alike can choose to meet The pub is where we go to celebrate a special occasion with a group of chums but also where we might go to flirt intimately with a prospective lover It is a comfortable destination for seeking out the company of others Whether located on a street corner in the Scottish Highlands Munich or New Zealand a favourite pub is defined by its own distinct atmosphere and character Pubs are distinguished as much by their interior décor as by the beer and liquor they sell and the customers that mingle around the bar These qualities combine to give a local its particular appeal with a draw far beyond its immediate locality These very unique idiosyncratic attributes of pubs which were once taken for granted are now in real danger of extinction as bar chains with standardised designs and drinks menus are rolled out across city centres and main streets Turning its back on the trend towards homogeneity of today's watering holes Pub Scene celebrates the often exuberant sometimes elegant décor and always singular wow factor of public drinking places whether they are big or small traditional or contemporary In her engaging and anecdotal style author Jane Peyton describes some of the world's best looking pubs including British Victorian Gin Palaces classic Art Nouveau Belgian cafés bars Germany's Beloved bierkellers Australia's amazing beachside beer gardens and America's notable brew pubs *Catalog of Copyright Entries, Third Series*, 1960 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc *A Selected List of Plays for Amateurs and Students of Dramatic Expression in Schools and Colleges*, 1908 *Catalog of Copyright Entries* Library of Congress.
