Biblical Numeric Keys R. J. Plugge,2016-11-28 God does things by the numbers He knows the number of hairs on your head and the number who will be saved He sets dimensions durations designs definitions and destinations He numbered six 6 days for his work of Creation then he sanctified the seventh for mankind The numeric 7 has ever since been used as the number symbolizing perfect in the eyes of heaven and of those things expressing the actions of God Throughout the scriptures God has communicated through numbers which are both symbolic and literal counts The message in a scriptural text is often as much or even more within the symbolism of the associated numbers as it is within the words or actions depicted The numbers often help explain or even interpret a written text In this book are the most likely symbolic revelations to be associated with forty numbers including 153 666 1290 and 1345 It will help you appreciate the

depth of messages conveyed throughout Gods Word **The Complete Book of Biblical Numbers** Anita G. Long,2012-04-11 Here is a complete listing of the numbers and where they are located in the Bible If you want to know where a number is used this book will help you to locate it quickly and easily It will help Bible readers students Sunday school teachers pastors and anyone else interested in the numbers of the Bible The Complete Listing of Biblical Numbers will help you dive into the world of biblical numerology *Your Days Are Numbered* Michael A. Price,2011-04-13 It is hopeful that this present work should be a blessing to those who read it When the writer of this book started taking notes and studying the various numbers in scripture it was his initial desire to know and to understand the God of the Bible in a deeper way This work has been in the making for twenty plus years Yet there still remains an insurmountable amount of evidence which suggests that God s ways are past finding out by the human mind and intellect God is Spirit and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty The subject of numbers in scripture has proven to be a fascinating endeavor but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit Illustrations are continually being discovered It would be irreverent to suppose that this work could be complete for it would assume that the wonders of the Creator as manifested through numbers in scripture could be all discovered May this modest work be to the praise and glory of the One and Only True God **Four - The Number of Immanuel** David Elliott,2026-01-14 Secular observance of the Christmas season has become over commercialized and at minimum does not focus properly on the significance of Christ s birth the arrival of Immanuel Sadly even religious observance has at times become stale with too much emphasis given to entertainment which results in artificial joy In general cultural mindset has missed the magnitude of Immanuel s coming both secular and spiritual have overlooked the elegant hope and unfettered joy of the Savior s birth Here we celebrate the Christmas season fittingly by exploring the numbers and their meaning found in the familiar Christmas accounts Matthew 1 2 Luke 1 2 We gain understanding by reviewing the appearance of number four in accounts of the Savior s birth Within this specialized topic we avoid bland secular and trite religious observance of Christmas and instead center on the character of our Lord Jesus Christ By the numbers the birth accounts of Jesus proclaim the most joyful news ever given the Savior has come to earth

Curiosities of the Bible Pertaining to Scripture Persons, Places and Things Erastus Buck Treat,1886 **The Cabbala of the Bible; or, The science of Scripture numbers** John Henry Weldon,1897 **Creation Centered in Christ** Henry Grattan Guinness,1896 *A Biblical Cyclopædia* John Eadie,1883 **The Numerical Bible** Frederick W. Grant,1897 **The Flower Ornament Scripture** ,1984 **Jung and the Bible** Wayne Rollins,2013-09-01 Out of the life and thought of a noted psychologist Carl Jung comes a captivating approach to reading and interpreting the Bible The book opens with the question Why is it that the images characters and stories of Scripture have the power to catalyze the imagination of the human psyche not only among religious people but also among artists moviemakers playwrights and

songwriters some of whom are disenchanted with church clergy and established religion The answer to the question begins with Jung s statement that the Bible is an utterance of the soul Jung sees the Bible as a treasury of the soul psyche that is the testimony of our spiritual ancestors proclaiming in history and law prophecy and psalm gospel and epistle genealogy and apocalypse their experience of the holy and drawing us and others through us into that experience The Bible is no stranger to Carl Jung No document is cited by Jung more often and no cast of characters from any tradition is summoned to the stage of Jung s discourse with greater regularity than are the Adams and Abrahams the Melchizedeks and Moseses the Peters and Pauls of Judaeo Christian Scripture 185 biblical figures in all Beyond that the realities and experiences that concern Jung most are also those that occupy prime attention in the writings of biblical authors a sense of soul of personal destiny and call an openness to the wisdom of dreams revelations and visions the power of symbols and archetypal images the riddle of evil within God s world and above all the sense of God the numinous the Holy at the center of things
