

A dirt path leads through a forest. The trees on either side have vibrant autumn foliage in shades of orange, yellow, and red. Some evergreen trees are visible in the background. The path is slightly curved and leads towards a bright light source at the end of the path, creating a lens flare effect.

God made humans to reflect his glory,
his love, his wisdom into the world, and
in the new creation God will not revoke
this vocation. He will gloriously fulfill it.
We will become more human, not less.
