Adventure of Sex in Power KAYODE OLATUNBOSUN,2011-09-06 The book is lucidly written to expose the sex guilt placed on the succeeding generation It seeks to critically look into the social role of sex in ebb and flow of power politics in all epochs It seeks to edify the study of semio sex Ethics Based on the Science of Evolution Robert Gordon,Robert Gordon Ph. D.,2003 Towards the end of 1943 and during all of 1944 the war on all Fronts was relentlessly and violently building to a dangerous and complex climax Although the Allies had massively invaded Europe in the early summer of 1944 we didn t see German capitulation for almost a year and even then only after the Russians renewed from their awful Battle of Stalingrad were rolling west into the very heartland of Germany taking Berlin block by block building by building With equal ferocity the Allies had rolled east Eisenhower was poised fifty miles west at the Elbe River April 30th Hitler killed himself Two days later Berlin capitulated American losses in Europe totaled 170 000 The German end came fast Although the World celebrated Victory in Europe on May 5th Germans had been surrendering in big numbers through late April and early May By May 15th Allies had imprisoned five million German military personnel Some of the best news I heard was the surrender of 153 German submarines The foe in the Pacific would prove as implacable In contrast to the land war in Europe for us the war in the Pacific had always been a sea war with island invasions and battles taking place over great distances A few months after Pearl Harbor the author went to war in the Engineering Department of a shipyard in Los Angeles Harbor and enjoyed a brief but rigorous engineering apprenticeship earning an Industrial Deferment which required draft board renewal every six months In late summer of 1943 the U S Merchant Marine Academy accepted him but with a string attached Unlike the other three Federal academies this Academy required a six month tour of duty at sea preceded by ninety days of Basic Training wartime or peacetime

Inner and Outer Meanings of Buddhism Singh M Parashar,2016-11-04 Buddhas concept of no self is correct and superior to the old Hindu concept of a permanent eternal and unchanging self God freedom of will immortality and the law of karma moral retribution are the things in themselves These things in themselves belong to the transcendent realm of noumena These things are not governed by the causal chain of the world of senses The outer meanings of many concepts of Buddhism are different from their inner meanings Mind is a physical thing like mercury and human body is like a glass tube containing mercury Mind is active as well as passive Existence is prior to essence There is no transcendent aesthetic There is only a phenomenal aesthetic The sense of space is created by the inverse square law The light of the absolute goes on decreasing as we move from a mother to the family from the family to the society and from the society to the state According to the inner meanings the twelve links of the dependent origination are actually made of three separate and independent chains Nirvana and many other concepts of Buddhism are unknowable and inconceivable An attempt has been made to make the inconceivable concepts as conceivable

Celibacy, Culture, and Society Elisa Janine Sobo,Sandra Bell,2001 This is the first cross cultural inquiry into the practice of celibacy around the world and through the ages among groups as diverse as Kenyan villagers and U S prisoners Mazatec Shamans and Buddhist nuns and monks Shaker church members and anorexic women The examples of celibacy described here illustrate the complex relationship between human sexuality and its particular sociocultural context Ideas about the body gender family work religion health and other dimensions of life come sharply into focus as the contributors examine the many practices and institutions surrounding sexual abstinence They show that though celibacy is certainly sometimes a punishment or a deliberate ritual abstinence it also serves many other social and material functions and in some cases contributes to kin group survival and well being Celibacy Culture and Society represents a significant step towards understanding the functions and meanings of sexuality
