Purchasing Management Handbook

The Purchasing Management Handbook is a comprehensive guide to the purchasing function in the modern organization. It covers all aspects of purchasing, from the selection of suppliers to the management of the purchasing process. The book is divided into two main parts: the first part deals with the strategic aspects of purchasing, and the second part deals with the operational aspects. The book is written in a clear and concise style, and is suitable for both students and practitioners. It is an essential reference work for anyone involved in purchasing management.
