

7 INNOVATIVE PERFORMANCE SUPPORT TOOL FORMATS TO BOOST YOUR WORKFORCE PERFORMANCE

KINETIC TEXT/ ANIMATIONS

Sometimes simplicity speaks the loudest. This approach uses kinetic text to convey the message with the use of typography, animation, and simple sound effects or voice-over that can create an immersive experience.

WHITEBOARD ANIMATIONS

You can't create high-impact videos using a complex story with pictures being drawn on a whiteboard along with colorful graphics and audio. Simple illustrations and concise audio make the message very effective.

VIDEOS

Learn more about experts, whether it's a classroom lecture, a training guide, or a business meeting, are all used for learning. Social marketing is not new. These can be made more effective by enhancing them visually.

EBOOK (HTML5 COMPATIBLE)

This format provides dynamic features as the interactive PDF but provides additional options for packaging. Due to this, organizations get the added advantage of being able to track the learner's usage, which is not possible with interactive PDF.

INTERACTIVE PDF

This format can be effectively used to convert lengthy information into a visually appealing, quick and easy-to-navigate format. The PDFs can be accessed from all devices and you can integrate audio/video elements into the same document.

MOBILE APPS

Mobile Apps are one of the delivery formats that offer the additional flexibility to the learners, can be accessed the learning content, often even after downloading it on their mobile devices.

WEBCAST/ PODCASTS

These are short episodes of audio or video that are the perfect example of a mobile delivery resource - they're targeted and entertaining, to be watched/listened to while on a train or the way to work or to kill time before a meeting.
