Positive Coaching Jim Thompson, 1995. Coaching is more art than science but coaches seldom have the time or training to develop their talents beyond the X's and O's. Creative Coaching provides coaches innovative and effective approaches and solutions to tough challenges. The kind of artistry that produces wins. What sets Lynch's coaching method apart is his unique collective approach. Coaches learn to teach, guide and motivate in a more reciprocal relationship with athletes. Respect and authority are earned not by a title or by disciplinary measures but by a clear vision and effective communication that prompts athletes to exert maximum effort toward their shared goals and develop their own decision making skills, all of which has a direct performance pay off.

The Double-goal Coach Jim Thompson, 2003

The Positive Coach Approach Sally Cordova, Judy McKee, 2007-02-06. The Positive Coach Approach is truly unique in that it provides a clearly charted course of action. It's a course for anyone charged with the task of improving call center performance in the form of customer satisfaction, increased sales, shorter call times and greater employee satisfaction. This book is a teaching guide that will lead you through what to do, why to do it and how to do it. This method of coaching eliminates stress on coaches and agents. The need for constructive criticism. The Positive Coach Approach is a proven way to get more and better results. A kinder approach to performance improvement.
