Possessing Your Inheritance Through Prayers: Discover the joy of partnering with God through prayer to see His kingdom purposes fulfilled in your life. Don't wait, start your journey today. *Daughter of the King*. A. Francine Green, 2017-08-05. As a daughter of God, would you like to know everything included in your inheritance? Do you desire to fulfill your purpose and destiny in Christ? In *Daughter of the King*, you will learn all of the great and precious promises God made to you in His Word and through His Spirit. In order to possess these promises, you must be fully persuaded that they belong to you. Once you know what these promises mean, you will be able to boldly claim everything that rightfully belongs to you in Christ. All the promised blessings of God are already paid for by the blood of Christ; therefore, they are free to you, but you still have to lay hold of them by faith. So what does it take to possess these promises? It's not just enough to know them. As daughters, we must believe they are ours and get ourselves into position to take possession of them. Just like how the children of Israel gained the Promised Land, God told them it was theirs, then it was given to them once they claimed it. God's promises to His children are sure, and *Daughter of the King* will help you lay hold of all of them. Get ready to step into your divine destiny and possess your spiritual inheritance. *Understanding Your Inheritance*. Gbenga Showunmi, 2014-03-05. This book will unravel God's inheritance for all believers. If you understand the power of your relationship with the Father, then you will have no doubt that your inheritance is eternally secured. However, you will need to discover these inheritances and your tools for living them on earth through the grace of God accorded to you in Christ Jesus. This book will give you the understanding of your inheritance in Christ through the mystery of adoption into God's supernatural family. Identify Believers' Covenant Rights that you must claim through fervent prayers. Deliver into your hands the practical keys to tap into unlimited resources of heaven here on earth. This may be the most important book in your library and to share with friends and family members. *Possessing Your Inheritance*. Marsha Johnson, 2025-06-19. **How to Possess Your Marketplace Inheritance**. Charles Omole, 2016-11-02. My objective in this book is to explain the imperative of our inheritance in the marketplace. It's important that when we are considering the issue of our reclaim of the marketplace, that we start from the premise that it is doable. If it is not doable, then the whole task becomes a lot more difficult. This book will show you the certainty of the righteous invasion of the marketplace. God stated in the Bible that we should ask of Him, and He will make the nations our inheritance and the ends of the earth our possession. What God is interested in giving us is not just people; it is the nations. So if the nations are our inheritance, then we must have a strategy.

for how we get the nations Your inheritance is mentioned about 237 times in the Bible and it means something to which one is entitled as an heir But like all inheritance there are good and bad ways to acquire what is yours We saw this in the story of the prodigal son The inheritance was his but he employed the wrong way to obtain it So there is always a danger of receiving our inheritance inappropriately It is settled in scriptures that the nations are ours for an inheritance But how do we claim it legitimately This book explains the danger of using the wrong approach to take what is our inheritance and the futility of temporary success To have an enduring success we need to use God own strategy and tools in the marketplace This book explains how we can take what is rightfully ours using the right method and honouring God in the process The Bible states in 1Corinthians chapter 3 verse 10 that it will be revealed with fire and the fire will test the Quality of each man s work if what he has built survives he will receive his reward So you need to engage with the marketplace using God s methods to possess your inheritance It is the quality of your work that counts not just the quantity Quality is a reflection of accuracy and sticking to God s pattern This book will further reveal how the kingdoms of this world will become the kingdoms of our God and of His Christ as the Bible notes in the book of Revelations Get ready to enlarge and increase as we possess our inheritance in the marketplace
