Children's and Young-adult Edition ,1986 **A History of Music in American Life** Ronald L. Davis,1980 This three volume
history of music in America covers the sweep from Puritan psalms to the hits of the 70s It is written from the historian s
viewpoint rather than that of the musicologist and considers music in America against the backdrop of a changing society
The work deals not only with music written in America but also with the reception of the European classics in the concert
halls and opera houses of the United States The story is presented in lively human fashion as free of technical analysis as
possible but the set will also serve as a comprehensive reference work **Art Now Gallery Guide** ,2006-05
