Lotus Prayer:

Lotus Prayer Book Swami Karunananda,1986 The Lotus Prayer Book is an inspiring collection of sacred prayers from various faiths and traditions gathered together as a testimony to the central teaching of Sri Swami Satchidananda that Truth is One Paths are Many White Lotus Jamgon Mipham,2015-09-01 The commentary translated in these pages is unusual and rare But if the commentary is a rarity its subject matter the seven line invocation of Padmasambhava is one of the best known prayers in the Tibetan Buddhist world The overall significance of the Seven Line Prayer is perhaps best appreciated in relation to a practice called guru yoga or union with the nature of the guru The purpose of guru yoga is to purify and deepen the student s relationship with his or her teacher It is introduced as one of the preliminary practices and it remains crucial in fact its importance increases as one progresses through the more advanced levels of the tantric path The cultivation of devotion to the guru and the blending of one s mind with his or her enlightened mind is in the words of Dilgo Khyentse Rinpoche the most vital and necessary of all practices and is in itself the surest and fastest way to reach the goal of enlightenment Regarding the origin of this commentary Mipham refers in the colophon to an event that triggered the abrupt appearance in his mind of the hidden meaning of the prayer It is interesting to note that the language Mipham uses suggests that the commentary itself is not an ordinary composition but perhaps a treasure teaching specifically a mind treasure or gongter Lotus Prayer Book N.
