Working Papers Richard E. Braff, 2002 Silent short films practically vanished from the movie screen with the advent of sound. Despite their relatively short existence an enormous number of them were made and on a very wide range of topics. Presented in this book reorganized are the extensive working papers of Richard E Braff at the time of his death in 2001 detailing split reel and one two and three reel films produced or released in the United States between 1903 and 1929 over 25 000 films in all. It lists in alphabetical order short silent films that have cast or production credits. Each entry includes to the extent possible the following elements: title, release date, producing company, director, script writer, author of story, length of film in reels and cast credits.

The Films of the Seventies Marc Sigoloff, 2000-09-15 This is a comprehensive filmography of American, British and Canadian feature films released during the decade of the 1970s. Nearly 1 000 films are listed alphabetically, each with cast including the characters they played and credits, release date, a five star rating system, production company, length, the Motion Picture Association of America rating of G, PG, R or X, various award winners are indicated with symbols and a brief summary of major plot details and characters and an evaluation of its virtues or flaws. The box office rentals of each film achieving 4 million or more are also indicated.
