Love in the Time of Serial Killers Alicia Thompson, 2022-08-16 One of Cosmopolitan's Best Romance Novels Ever Turns out that reading nothing but true crime isn't exactly conducive to modern dating and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst PhD candidate Phoebe Walsh has always been obsessed with true crime She's even analyzing the genre in her dissertation if she can manage to finish writing it It's hard to find the time while she spends the summer in Florida cleaning out her childhood home dealing with her obnoxiously good natured younger brother and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years It doesn't help that she's low key convinced that her new neighbor Sam Dennings is a serial killer he may dress business casual by day but at night he's clearly up to something It's not long before Phoebe realizes

that Sam might be something much scarier a genuinely nice guy who can pierce her armor to reach her vulnerable heart

Relationship Smart Eziaku Odimuko,2014-07-31 Life is all about relationships A person begins forming relationships from birth to the end of life here on earth Life would seem boring without other people with whom to share laugh and cry Relationships can be a source of great joy or great despair When structured and wholesome one can bring out the best however a dysfunctional relationship can cause great harm to an individual Get the facts to becoming Relationship Smart Be your best self and enhance your friendship courtship or marriage with lessons from this book Why We Love Serial Killers Scott Bonn,2014-10-28 For decades now serial killers have taken center stage in the news and entertainment media The coverage of real life murderers such as Ted Bundy and Jeffrey Dahmer has transformed them into ghoulish celebrities Similarly the popularity of fictional characters such as Hannibal The Cannibal Lecter or Dexter demonstrates just how eager the public is to be frightened by these human predators But why is this so Could it be that some of us have a gruesome fascination with serial killers for the same reasons we might morbidly stare at a catastrophic automobile accident Or it is something more In Why We Love Serial Killers criminology professor Dr Scott Bonn explores our powerful appetite for the macabre while also providing new and unique insights into the world of the serial killer including those he has gained from his correspondence with two of the world s most notorious examples David Berkowitz Son of Sam and Dennis Rader Bind Torture Kill In addition Bonn examines the criminal profiling techniques used by law enforcement professionals to identify and apprehend serial predators he discusses the various behaviors such as the charisma of the sociopath that manifest themselves in serial killers and he explains how and why these killers often become popular cultural figures Groundbreaking in its approach Why We Love Serial Killers is a compelling look at how the media law enforcement agencies and public perception itself shapes and feeds the monsters in our midst The Gun under Roses Kwabena Osei,2015-08-30 It is worthless to offer your life as a ransomed sacrifice in the name of false love False love nourishes us with the bread of sorrows It is the spiritual sophisticated weaponry instituted within mankind for mass destruction by the devil False love is nothing but the Gun under Roses All the atrocities caused in the name of love are the attribute of false love To be engaged in marriage love and sex relationships with the Ego s mindless tantamount to sitting on a timing bomb Alike any ideology by which initially love is its manipulated language and eventually results in counter productive and hatred is classified as the Gun under Roses This lovely book The Gun under Roses is of much significant to the human race It highlights mankind how to distinguish between the killer false love and the true love that nourishes us with the bread of life Natural love creates no miseries We live but once Life is very precious We are born free but lack of awareness we sell our freedom to false love to be incarcerated It is better to be awakened before making a life time commitment in marriage love and sex relationships If you want to live learn how to live To avoid atrocities caused in the name of love and to inherit the living Heaven bewitching marriage love and sex relationships learn how to love unconditionally The power of love conquers all Seeds of Poetic
