Tasting Blue Laura Francis, 2020-11-16 The prophetic church is on the rise to bring a hope reformation to the world The Hope Diamond is the largest blue diamond on Earth and it is the heavenly symbol of this hope reformation The Hope Diamond has a voice It carries a message from God that can be heard by those who understand the scriptural meaning of jewels and color In this book the Hope Diamond's true identity and heavenly message are revealed Five physical senses help people interpret the material world sight smell touch taste and sound Each of these senses has a greater spiritual match Once awakened these senses defy the limits of what could formerly be perceived and engage us with reality on a whole new level The spiritual dimension earnestly awaits each individual awakening Tasting Blue is a collection of prophetic writing that cultures and nurtures the spiritual senses It beckons each reader beyond the mental confines of worldly perspective and helps us to interpret reality through a different kind of sight Ephesians 1:17 says that Jesus opens our eyes The surprise lies in the set of eyes that Jesus comes to open Laura Francis writes in poems and parables a form of prophetic language seen often within the Scriptures She writes to accelerate our understanding of spiritual realities Using scriptural references her work helps reveal the treasure found within the pages of the Holy Bible precious words given by God to edify encourage and comfort humanity

What Happened from the Cross to the Throne E. W. Kenyon, 2025-07-15 Believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed They did not realize who Christ was why He came why He had to suffer and what was to be gained by His

suffering They did not know what happened on the cross or during the three days and nights in the tomb before His resurrection They did not know why the incarnation was important or that it even was an incarnation All they could see was the undeserved suffering of their friend and rabbi Now legendary Bible teacher E W Kenyon reveals hidden truths that were not fully understood until the Pauline Revelation of the Epistles Until God revealed these truths to the apostle Paul no one understood why Christ came why His death on the cross was necessary or what exactly occurred in the tomb They did not comprehend the good news that because of these events we now become the righteousness of God people who can stand in God s presence without a sense of guilt shame or inferiority This is the miracle of redemption and the miracle of New Creation It is the confidence to overcome the devil to heal disease and to call Lazarus out of the tomb To this day far too many believers share the disciple s view of Jesus a biographical account of the things He did the words He spoke and the suffering He endured Because of this limited revelation their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified Like the apostles at Pentecost we must move beyond sense knowledge and into the Spirit realm We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith

**LOVE SLAVE (TEMPT. 448).** Mallory Rush, **The World To-day** ,1912 **Happy Nonagenarian** William Baxter Godbey,1919 *Strange Stories from the Lodge of Leisures* Songling Pu,Georges Soulié de Morant,1913 The first European students who undertook to give the Western world an idea of Chinese literature were misled by the outward and profound respect affected by the Chinese towards their ancient classics They have worked from generation to generation in order to translate more and more accurately the thirteen classics Confucius Mengtsh and the others They did not notice that once out of school the Chinese did not pay more attention to their classics than we do to ours if you see a book in their hands it will never be the Great Study or the Analects but much more likely a novel like the History of the Three Kingdoms or a selection of ghost stories These works that everybody young or old reads

and reads again have on the Chinese mind an influence much greater than the whole bulk of the classics Notwithstanding their great importance for those who study Chinese thought they have been completely left aside In fact the whole of real Chinese literature is still unknown to the Westerners
