Solomon,1990 Love our hearts yearn for it we fall into it or out of it we ll do almost anything to attain and keep it Those who have experienced the power of love whirl from its embrace It is delicious anguish gut wrenching pain and intoxicating allure Nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name But beyond the cliches and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave Should love be viewed as little more than a lusty romp or is there more to it What is the relationship between love and romance caring concern compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us or turn powerhouses of strength into emotional mush It is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon It won t always be easy in fact it s sometimes quite painful But the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go Some of the topics covered are What I Feel in My Heart On the Alleged Origins of Romantic Love What Do I Want When I Want You Why Do I Love You The Importance of Being Honest Love Sex and Intimacy Beyond Sex
