Love Monkey:

Pretty from the Back Sharon A. White,2013-09 I wanted to write poetry to express my hidden fears my love for family and friends and to show me growing as a woman of color My perspective of life has made my poetry joyful with laughter and with life disillusion to have a inner strength about love loss love gain love hurt and how to love each other opens the door for everyone to walk in enjoy Spoiled Brats (including the story that inspired the major motion picture An American Pickle starring Seth Rogen) Simon Rich,2014-10-14 The hilarious New York Times Book Review collection of short stories from the award winning humorist Simon Rich includes the story that inspired the Seth Rogen comedy An American Pickle Twenty years ago Barney the Dinosaur told the nation s children they were special We re still paying the price From one of the funniest writers in America comes a collection of stories culled from the front lines of the millennial culture wars Jimmy So Daily Beast Rife with failing rock bands student loans and participation trophies Spoiled Brats is about a generation of narcissists and the well meaning boomers who made them that way A hardworking immigrant is preserved for a century in pickle brine A helicopter mom strives to educate her demon son And a family of hamsters struggles to survive in a private school homeroom Surreal shrewd and surprisingly warm these stories are as resonant as they are hilarious I Flew into the Cuckoo's Nest!
