The History of Vietnam Justin Corfield, 2008-02-28 Everyone knows Vietnam for its turbulent environment during the second half of the 20th century but few know that archaeologists believe that civilization there existed as far back as the Bronze Age Vietnam's history runs rampant with clashing dynasties civil wars and power struggles between the North and South and conflicts with neighboring and other countries First ruled under China's close watch for centuries Vietnam fell under conflicting commands of France and Japan during the 19th and 20th centuries finally leading to the split of North and South Vietnam and ultimately the Vietnam War Today Vietnam still struggles with its scars from the past but is slowly emerging as its own country independent of China and France An essential addition for high school and public library shelves The History of Vietnam is the only reference book to examine Vietnam's complete history from the 2nd century BCE to the present *Hardware & Machinery*, 1961 **Humanities**, 2004 **Pure-bred Dogs, American Kennel Gazette**, 1973

The Bloodstock Breeders' Annual Review, 1968 *Reconstructing Ancient Korean History* Stella Xu, 2016-05-12 This book examines the contested readings of Korea in early Chinese historical records and their influence on the formation of Korean-ness in later periods The earliest written records on Koreans are found in Chinese documents produced during the Han dynasty from the third century BCE to the third century CE Since then these early Chinese records have been used as primary sources for writing early Korean history in Korea China and Japan This study analyzes the various reinterpretations and utilizations of these early records that became more diverse by the late nineteenth century when the reconstruction of ancient history became a crucial part of the formation of Korean national consciousness Korea's modern historiography was complicated by a thirty-five year colonial experience 1910-1945 under Japan During this period Japanese colonial scholars attempted to depict Korean history as stagnant heteronymous and replete with factional strife while Korean nationalist historians strove to construct an indigenous Korean nation in order to mobilize Koreans national consciousness and recover political sovereignty While focused on Korea and Northeast Asia the links between historiography and political ideology investigated in this study are pertinent to historians in general **Epic Mexico** Terry L. Rugeley, 2020-08-20 Spanning the full breadth of Mexico's long and storied past in one compact volume Epic Mexico provides an unparalleled view of Mexican history at once comprehensive succinct and consistently engaging The book's story reaches from the days of the saber-tooth tiger to those of its perhaps more dangerous modern counterpart the narco-trafficker and from the time of the Olmec and the Aztec through the Spanish Conquest to the complex pluralistic society of contemporary Mexico Although the book does not shrink from today's urgent issues including public violence environmental challenges public health problems and struggles with diversity historian Terry Rugeley underscores the many important accomplishments of the Mexican people over time balancing political crises with genuine triumphs Along with matters political and military Epic Mexico addresses the development of the arts including literature music and cinema The volume also keeps an eye on the nation's long and often
