Meier Helmbrecht by Wernher der Gartenaere is the work of a creative artist with great insight into his own milieu Germany in the latter half of the thirteenth century when gradualism was decaying as a cohesive factor and into human nature in general To illustrate the effects created by a single individual who leaves his social order Wernher uses the specific case of a peasant qua knight young Helmbrecht This presumptuous youth destroys the fibre of society by forsaking his peasant duty to provide food for all living creatures and by contributing to the crimes committed by the already corrupt knighthood Since Helmbrecht steals from his fellow peasants instead of helping them with their duties the bailiff metes out corporal punishment worse than death one year before the youth is hanged by his peers Order which was disrupted by the knightly aspirations of which Helmbrecht s ornate cap is a symbol is restored as soon as the cap is torn to shreds and the youth is dead Although gradualism predominates the poem it is not the only theme Helmbrecht breaks the Fourth Commandment when after asking his father to buy him a horse so that he can arrive at court in high style he refuses to uphold gradualistic society When Helmbrecht returns to the farm one year later he still refuses to comply with his father s wishes A reversal of the situation occurs when the father cannot yield to his emotions and shelter the disabled son who comes to him in desperation Since Wernher s messages to his audience were so sombre that he apparently feared their going unnoticed if cast in the usual form of homiletic literature he employed exaggerated examples satire irony and parody to entertain without giving the impression of sermonizing Each dialogue and each narrative passage in Meier Helmbrecht is intended to reinforce the lessons the poet is teaching on gradualism and on the Fourth Commandment The maere of Meier Helmbrecht is divided into three sections to depict Helmbrecht s preparations for courtly life his actions as a successful robber knight and his retribution for attempting to be more than a peasant In Helmbrecht s cap the symbol of disorder in society Wernher found a framework for his poem Confrontations between father and son dreams and scenes at home make the poem cohesive within this framework      **Das Kulturhistorische im "Meier Helmbrecht" von Wernher dem Gärtner** Wilhelm Stoewer,1891      **Meier Helmbrecht** Wernher (der Gartenaere),Johann Pilz,1924      **Peasant Life in Old German Epics** Bell Clair Hayden,1901      Meier
