Meditationart Of Ecstasy:

Meditation: The Art of Ecstasy Osho,2023-02-28 Concentration is a choice It excludes all except its object of concentration it is a narrowing If you are walking on the street you will have to narrow your consciousness in order to walk You cannot ordinarily be aware of all that is happening because if you are aware of everything that is happening you will become unfocused So concentration is a need Concentration of the mind is a need in order to live to survive and exist That is why every culture in its own way tries to narrow the mind of the child **Meditation** Bhagwan Shree Kajneesh,1976

The Art of Everyday Ecstasy Margot Anand,1999-04-20 Ecstasy is about waking up and finding that you are in love with life Most people think of ecstasy in terms of sexual ecstasy which Tantric sex expert Margot Anand wrote about in her bestselling The Art of Sexual Ecstasy Now in The Art of Everyday Ecstasy Anand expands our definition of ecstasy and shows how we can harness its energy to help us live work and love more passionately joyfully and with true spiritual focus Our modern work obsessed stress filled culture what Anand calls the anti ecstatic conspiracy has dulled our spirits thrown us off balance and alienated us from meaningful everyday experiences In this inspirational journey toward finding the healing nature of ecstasy Anand explains how the two types of ecstatic experiences the moments of epiphany called Ecstatic

Awakenings and Everyday Ecstasy or the Ecstasy of Flow a connection to our power and inner wisdom can help us move beyond pain and doubt to reach our highest potential Based on the spiritual path of Tantra Anand shows how to use the natural energy system of our bodies the seven chakras as a map to ecstasy As she guides us through the chakras she explains how each one plays an important role in transforming energy into erotic passion healing empowerment compassion creativity insight and gratitude Blocked chakras manifest themselves in surprising ways wholeness can be achieved only when all of the chakras are open with energy flowing freely By transforming negative behavioral patterns into positive ones and strengthening ourselves physically emotionally and spiritually we can improve our health sex life career relationships and find profound meaning in everyday moments With personal anecdotes exercises meditations and rituals The Art of Everyday Ecstasy shows us how to bring ecstatic energy into the body mind heart and spirit to embrace every moment in our totality to respond bodily feel from the heart perceive with clarity and be fully present to others and to life
