The Demon Queen Jewel Killian,2020-07-17 They call me Uniter of Realms Bringer of Peace High Queen But I don t know how to be any of that Five realms hang in the balance three races whose lives depend on magic and one corrupt king hoarding it all for himself My role Oh just fixing it Easy right But a handful of sexy realm leaders insist I m the human born with demon blood each vying for attention each one s touch drawing something strange and blissful from me Sweet attentive Callum pragmatic and commanding Sorin dark and intuitive Verrill and icy collected Jadzeera Each one has something to teach me about magic and about myself The longer I stay in these hell realms the closer I grow to each realm leader the more my power grows and the more I realize I cannot simply have one realm leader I need them all by my side and in my bed to bring the realms back together The Demon Queen is a fast burn FFMMM Reverse Harem This fun sexy ride is packed full of seductive demons a smart heroine a wisecracking best friend and a teleporting cat EDITORIAL REVIEWS It s EXTREMELY rare for me to give a book 5 stars I reserve it only for books that move me and make me want to revisit their pages This book is that and so much more Being a pansexual non monogamous woman has been a journey Accepting it and being proud to declare such titles has not been simple and escaping into the RH world has been a fun way to escape into a fantasized reality but never have I read a story with characters that so deeply made me feel the vast range of emotions How dramatic for a fantasy book about sexy stuff right Lol Beyond the personal rightness this book gave me tingly belly feels and all the world building is orgasmic in its own right The storyline was engaging and magical with just a hint of realism and it could happen factor I absolutely loved every moment of this story and if you are looking for an awesome bisexual main character with a lady lover and four delicious dudes then you ll absolutely love this book I definitely did JSpringer Original Groundbreaking Reading RH can feel a bit wearisome at times When you read RH the way I do it is really refreshing to finally find a horde with lady interest This is the first in well over one hundred reads that went there and balanced all the parts perfectly Kudos to the author for breaking out of a mold and reshaping things Also I want to say that this author found a way to have the heroine actually figure things out without spending too much time on her baggage It s there but Zurie jumps beyond Love it SJennings **Gypsy Sorcery and Fortune Telling** Charles Godfrey Leland,1891 Science Fiction and Fantasy Literature R.
