Postcolonial Developments :

Postcolonial Developments Akhil Gupta,1998 Shows how the language and institutions of development are central to the postcolonial condition through a study of the effects of the green revolution on particular Indian localities

Postcolonial Developments Akhil Gupta,1998 This definitive study explores what the postcolonial condition has meant to rural people in the Third World Based on fieldwork done in the village of Alipur in rural north India from the early 1980s through the 1990s POSTCOLONIAL DEVELOPMENTS challenges the dichotomy of developed and underdeveloped and offers a new model for future ethnographic scholarship 15 photos [The Postcolonial Politics of Development](#) Ilan

Kapoor,2008 This collection of essays is the first to chart what a specifically postcolonial politics might look like in the context of global development so as to question development's dominant cultural representations and institutional practices The Postcolonial Politics of Development examines recent development policy initiatives in such areas as governance human gender rights and participation to better understand and contest how knowledge is produced in international development its cultural assumptions and power implications It shows how we development practitioners and westernized elites intellectuals are complicit in this knowledge production Such noble gestures as giving foreign aid or promoting participation and democracy often mask our institutional biases and economic and geopolitical interests while silencing marginalized groups on whose behalf we purportedly work BOOK JACKET **Postcolonialism and Development** Cheryl McEwan,2008-11-20

This book provides a valuable and unique introductory text that explains reviews and critically evaluates recent debates about postcolonial approaches and their implications for development studies *Postcolonialism, Decoloniality and Development* Cheryl McEwan,2018-12-07 Postcolonialism Decoloniality and Development is a comprehensive revision of Postcolonialism and Development 2009 that explains reviews and critically evaluates recent debates about postcolonial and decolonial approaches and their implications for development studies By outlining contemporary theoretical debates and examining their implications for how the developing world is thought about written about and engaged with in policy terms this book unpacks the difficult complex and important aspects of the relationships between postcolonial theory decoloniality and development studies The book focuses on the importance of development discourses the relationship between development knowledge and power and agency within development It includes significant new material exploring the significance of postcolonial approaches to understanding development in the context of rapid global change and the dissonances and interconnections between postcolonial theory and decolonial politics It includes a new chapter on postcolonial theory development and the Anthropocene that considers the challenges posed by the current global environmental crisis to both postcolonial theory and ideas of development The book sets out an original and timely agenda for exploring the intersections between postcolonialism decolonialism and development and provides an outline for a coherent and reinvigorated project of postcolonial development studies Engaging with new and emerging debates in the

fields of postcolonialism and development and illustrating these through current issues the book continues to set agendas for diverse scholars working in the fields of development studies geography anthropology politics cultural studies and history

The Palgrave Handbook of African Politics, Governance and Development Samuel Ojo Oloruntoba, Toyin Falola, 2017-10-10 This handbook constitutes a single collection of well researched articles and essays on African politics governance and development from the pre colonial through colonial to the post colonial eras Over the course of these interconnected periods African politics have evolved with varied experiences across different parts of the continent As politics is embedded both in the economy and the society Africa has witnessed some changes in politics economics demography and its relations with the world in ways that requires in depth analysis This work provides an opportunity for old and new scholars to engage in the universe of the debate around African politics governance and development and will serve as a ready reference material for students researchers policy makers and investors that are concerned with these issues

New Developments in Postcolonial Studies Małgorzata Martynuska, Elżbieta Rokosz-Piejko, 2017 This book analyses the applicability of postcolonial theories and contemporary issues and also revisits previously tackled cultural social and literary phenomena The contributions examine contemporary social economic and cultural processes The authors look back at older cultural texts coming from either former colonies or former colonisers They furthermore refer to the fact that theories of postcolonialism are currently more frequently applied to study countries originally not classified as colonial They attempt to define and explain the experiences of the native peoples of colonial territories in various historical situations of dependence

Performing Development: Women's NGOs, Donors, and the Postcolonial Ghanaian State Saida Hodzic, 2006 This work challenges the conviction pervasive in the anthropology of neoliberalism that NGOs weaken the state and argues that analyses of power relations in development must begin with a nuanced understanding of NGO predicaments By closely attending to the complex social effects of NGO interventions I revise dominant portraits of NGOs as either pawns of neoliberal development or revolutionaries of the global South

Recent Developments in Economic Methodology John Bryan Davis, 2006

Colonialism and Postcolonial Development James Mahoney, 2010-02-15 In this comparative historical analysis of Spanish America Mahoney offers a new theory of colonialism and postcolonial development He explores why certain kinds of societies are subject to certain kinds of colonialism and why these forms of colonialism give rise to countries with differing levels of economic prosperity and social well being Mahoney contends that differences in the extent of colonialism are best explained by the potentially evolving fit between the institutions of the colonizing nation and those of the colonized society Moreover he shows how institutions forged under colonialism bring countries to relative levels of development that may prove remarkably enduring in the postcolonial period The argument is sure to stir discussion and debate both among experts on Spanish America who believe that development is not tightly bound by the colonial past and among scholars of colonialism who suggest that the institutional identity of the colonizing nation is of little consequence

Post-postcolonialism?, 1998 Culture, Politics, and Development in Postcolonial Sri Lanka Nalani

Hennayake, 2006-01-01 In this book Nalani Hennayake unravels how the development experience of a postcolonial society is deeply embedded in a complex historical relationship between culture and politics by focusing on the country of Sri Lanka

Are There Varieties of Capitalism in African Political Economies? Christoph Vogel, 2011-11 Seminar paper from the year 2009 in the subject Politics Region Africa grade 1 7 University of Cologne Forschungsinstitut für Politische Wissenschaft und Europäische Fragen course Comparative Political Economy Varieties of Capitalism language English abstract Since the last decade scientific research on capitalism has experienced a noticeably grown attention among scholars as well as politicians One of the most discussed approaches in this field of comparative analysis of political economy is the varieties of capitalism theory¹ developed by Peter Hall and David Soskice Their approach basically focuses on how different actors may behave in a certain politico economic state configuration and on how far this configuration can determine a national type or variety of capitalism as well as the economic success of a political economy This approach though has been designed with a view to the so called developed economies which are to be found in Western and Central Europe as well as in North America In the era of globalization other economies have come into play with their performances ranging from real success stories as in several Asian economies to considerable failure as in most marginalized Sub Saharan African economies After presenting Hall and Soskice's approach and some of its criticisms in order to give a conceptual framework this paper will provide a very brief overview of the political economy of colonialism followed by a case study analysis of the contemporary political economies of Uganda and the Democratic Republic of Congo DRC The main research question is to identify to which extent varieties of capitalism imported from colonial powers have fashioned today's economies in the chosen cases as economic models or how far the empirically established colonial economic systems are responsible for post colonial developments The former colonial power in Uganda Great Britain will be considered as a Liberal Market Economy where *Education and Political Development in Post Colonial Black Africa, with Particular Reference to Kenya* J. Kimetet Ngulolu Ngéno, 1980

Selections Monika Mehta, 2001

Development for Exploitation Juhani Koponen, 1994

On the basis of extensive documentary evidence from Tanzania and Germany it is shown how the German colonialists came to be driven by a development imperative and how this unfolded amidst the conflicting interests and demands of the metropole local colonial actors and the African people **Education and Development in Colonial and Postcolonial Africa** Damiano

Matasci, Miguel Bandeira Jerónimo, Hugo Gonçalves Dores, 2020-01-03 This open access edited volume offers an analysis of the entangled histories of education and development in twentieth century Africa It deals with the plurality of actors that competed and collaborated to formulate educational and developmental paradigms and projects debating their utility and purpose pondering their necessity and risk and evaluating their intended and unintended consequences in colonial and postcolonial moments Since the late nineteenth century the educability of the native was the subject of several debates and

experiments numerous voices arguments and agendas emerged involving multiple institutions and experts governmental and non governmental religious and laic operating from the corridors of international organizations to the towns and rural villages of Africa This plurality of expressions of political social cultural and economic imagination of education and development is at the core of this collective work

Decolonizing Development Joel Wainwright, 2008-02-11 Unsettling the Colonial geographies of southern Belize The matter of the Maya farm system An archaeology of Mayanism From colonial to development knowledge Charles Wright and the battles over the Columbia River Forest Settling fieldwork in the ruins of development Finishing the critique of cultural ecology reading the Maya Atlas
