## Poster Set

People are trapped in history and history is trapped in them.

*—George A. Olah*

"The first step in liquidating a people is to erase its memory. Destroy the books, the customs, the history. Then have somebody write new books, manufacture a new culture, invent a new history. Before long the nation will begin to forget what it is and what it was. The world around it will forget even faster."

*—Milan Kundera*

History is a gallery of pictures in which there are few originals and many copies.
