Andrea Fontana, Anastasia H Prokos

Postmodern Interviewing:

Postmodern Interviewing Jaber F. Gubrium, 2003-03-21 Interview roles are less clear than they once were and in some cases the roles are even exchanged to promote new opportunities for understanding the shape and evolution of selves and experience Postmodern Interviewing offers readers an exploration of the postmodern interview a conversation with diverse purposes in which the communicative format is constructed as much within the interview conversation as it stems from predesignated research interests It provides cutting edge discussions of emerging horizons featuring reflexivity poetics and power along with discussions of new ways of gathering experiential knowledge Employing concepts from anthropology family studies history and sociology the contributors present the ambitious new directions in which the interview has gone such as How the interview process is refracted through the lens of language knowledge culture and difference How the dividing line between fact and fiction is blurred to promote richer understanding How standardized representation has given way to representational invention By exploring these exciting developments readers will be exposed to the engaging opportunities for understanding the shape and evolution of selves and social worlds that are made possible through changes in the interview process This volume is comprised of chapters from the Handbook of Interview Research Gubrium and Holstein SAGE 2001 The companion volume *Inside Interviewing* SAGE 2003 is also comprised of chapters from the Handbook *The Interview* Andrea Fontana, Anastasia H Prokos, 2007-05-31 In this concise student friendly guide Fontana and Prokos give a cogent introduction to the history types and methods of interviewing in the social sciences **Interviewing** Robert A. Shearer, 2005 Using a systematic training approach based on scientifically validated research the book combines how to guidelines and hands on practice to expose readers to key interviewing concepts and basic interrogation skills Focusing on basic interviewing concepts and skills for criminal justice professionals this book provides coverage of basic interviewing interrogation and counseling skills strategies For people that plan to work in the criminal justice system Interviewing II Nigel Fielding, 2009 Interviewing has a strong claim to be the most widely practised social science research method In this work Nigel Fielding an acknowledged expert in the field brings together a set of contemporary readings The Interview Andrea Fontana, Anastasia H Prokos, 2007-05-31 In this concise student friendly guide Fontana and Prokos give a cogent introduction to the history types and methods of interviewing in the social sciences **The Blackwell Encyclopedia of Sociology: HE-LE** George Ritzer, 2007 **Collecting and Interpreting Qualitative Materials** Norman K. Denzin, Yvonna S. Lincoln, 1998-03-09 Dealing with Empirical Materials and Interpretations focuses on the task of collecting analysing and interpreting qualitative materials using document analysis interviews computers and visual materials *What is Research?* Jeanette Rhedding-Jones, 2005 This book is about the practices and experiences of doing contemporary research in the social sciences and in related professions Written in personal and easy to read English it is for people beginning to do research or wanting to change the ways they research and write Jeanette Rhedding Jones explains different ways of doing research as

these link to critical issues researchers decide take up and to what drives research inquiries With personal examples and a conversational style she deals with both the difficult matters of doing theorised research and the politics of getting published The chapters are about research and self professions disciplines theory inquiry methodology ethics gender ethnic diversity and post modernity The last two chapters are about research writing and publishing This book will be a key text for research methodology courses in the social sciences and the professions As a companion text to more traditionally written books What is Research opens doors for readers needing new directions **Canadian Social Work Review** ,2004 *Qualitative Educational Research* Wendy Luttrell,2010 A comprehensive anthology that helps deepen students thinking about their qualitative research purposes questions and decision making **A Qualitative Stance** Klaus Nielsen,2008 This book articulates a qualitative stance drawing inspiration from the Danish psychologist Steinar Kvale s work The qualitative stance involves a point of departure where the social world is described before theorized understood before explained and seen as concrete qualities rather than abstract quantities It focuses on the cultural everyday and situated aspects of human thinking learning knowing acting and ways of understanding ourselves as persons while at the same time striving to be scientific International authorities on qualitative inquiry education psychology and philosophy each develop different aspects of the qualitative stance by engaging with three distinct themes The first centers around qualitative studies on learning studied as a social phenomenon of human beings in changing social practices The second theme is a critique of current educational practices and the postmodern consumer society arrived at through careful descriptions of subjectivity and contemporary social relations The third theme is about the development of new ways of thinking about qualitative inquiry

Communication Research Methods in Postmodern Culture Larry Z. Leslie,2010 *Communication Research Methods in Postmodern Culture* explores communication research from a postmodern perspective while retaining key qualitative and quantitative research methods The author uses easy to understand language to incorporate new research methods inspired by contemporary culture and includes review questions and suggested activities designed to help readers understand and master communication research The blend of new and traditional methods creates a book appropriate to the study of communication in an increasingly complex cultural environment *Scandinavian Journal of Primary Health Care* ,2001

Unveiling the Culturally-based Components of a Pharmaceutical Care Education Program Jenny Ophrat Gordon,2006

The Postmodern Moment Stanley Trachtenberg,1985-12-23 This collection of original essays provides an intellectual social and historical background for the postmodern movement in the literary visual and performing arts in America today Both creative expression and critical thought are examined in literature painting and sculpture dance music photography architecture theatre and film The author of each essay describes and analyzes the ways in which individuals become conscious of represent and ultimately assimilate changes in their respective art forms Included in each essay is a synthesis of critical issues as well as a discussion of representative figures and their works Also a broad bibliographic component

supplements each essay including discussions of resource materials checklists and a comprehensive annotated bibliography In his introduction editor Stanley Trachtenberg provides an overview of postmodernism In addition the volume contains an appendix of related European and Latin American expressions and a chronology of historical and cultural events and individual achievements Business Periodicals Index ,2005 **Postmodernism and Social Research** Mats Alvesson,2002 This book provides an overview of postmodern themes evaluates the possibilities and dangers of postmodernist thinking and develops ideas on how a selective sceptical incorporation of postmodernism can make social research more conscious about problems and pitfalls and more creative in working with empirical material so called data A reflexive orientation runs throughout the book which addresses themes such as how to understand the individual in research how to deal with the knowledge power connection how to relate to language and how to unpack rather than take for granted socially dominant categories in research work One chapter addresses the research interview in the light of postmodernist concerns about the naivety of assuming that the interviewee is simply an informant a truth teller authentically expressing his or her experiences and meaning Other chapters address issues of voice interpretation writing and reflexivity The book includes a range of empirical illustrations of how postmodernist ideas can inspire social research and in all it represents a valuable text for students and researchers alike **Putting People in the Picture** Naydene De Lange, Claudia Mitchell, Jean Stuart,2007 Getting the picture constructing and deconstructing the picture finding the picture viewing the picture being in the picture changing the pictures these are all phrases that apply to the fascinating world of putting people in the picture in visual research within the Social Sciences **Putting People in the Picture** Visual Methodologies for Social Change focuses on the ways in which researchers practitioners and activists are using such techniques as photo voice collaborative video drawings and other visual and arts based tools as modes of inquiry as modes of representation and as modes of disseminating findings in social research The various chapters address methodological analytical interpretive aesthetic technical and ethical concerns in using visual methodologies in work with young people teachers community health care workers and even the self as researcher The range of issues addressed in the work is broad and includes work in the areas of HIV AIDS schooling poverty gender violence race and children s visions for the future While the studies are situated within a variety of social contexts the focus is primarily on work in Southern Africa The book takes up some of the theoretical and practical challenges offered by Visual Sociology Image based Research Media Studies Rural Development and Community based and Participatory Research and in so doing offers audiences an array of visual approaches to studying and bringing about social change *Dimensions of Choice* Karla A. Henderson,2006 *Dimensions of Choice* Second Edition is an introductory text on the philosophy theory methods and techniques applied to interpretive research and qualitative approaches in parks recreation tourism sport and leisure PRTSL The first edition of this book appeared in 1991 at a time when one could almost count on two hands the number of leisure researchers using qualitative approaches Applying the

possibilities of a qualitative approach directly to the park recreation and leisure field is promising and over the past 15 years many more researchers in PRTSL have applied these approaches This book contains many of the basic but rethought premises of the first edition and is expanded to include new issues such as reflexivity computer aids linking and mixed methods evaluating research reports and other emerging forms of data collection analysis and data presentations This second edition provides a framework for using qualitative data in PRTSL and is designed for anyone who is interested in examining the dimensions of choice pertaining to research conceptualization design and analysis including practicing professionals who might want to consider using qualitative approaches for in house research and evaluation in a broad range of recreation services such as camps outdoor education public parks and recreation youth serving agencies sports marketing tourism promotion special event planning and clinical community therapeutic recreation settings This text is divided into three parts a the evolution of the use of qualitative approaches applied to PRTSL b a discussion of the methods commonly associated with using qualitative data including field research and in depth interviewing focus groups and image based analysis and c the procedures and techniques common to most qualitative approaches Not everything about qualitative methods can be covered in any book but in this book the reader will be exposed to a broad explanation of possibilities will learn how choice might be applied to research and evaluation questions in the PRTSL field and will gain an understanding and appreciation for how and why choices influence research Publisher s website [Pragmatics](#) ,2012

Enjoying the Song of Appearance: An Emotional Symphony within **Postmodern Interviewing**

In some sort of taken by monitors and the ceaseless chatter of immediate interaction, the melodic beauty and emotional symphony created by the prepared word usually fade into the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, set within the pages of **Postmodern Interviewing** a charming literary prize overflowing with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this charming masterpiece conducts readers on a psychological journey, skillfully unraveling the concealed melodies and profound affect resonating within each carefully constructed phrase. Within the depths of the moving analysis, we will discover the book is main harmonies, analyze their enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
