key that unlocks all the storehouses of God's infinite grace and power. All that God is and all that God has is at the disposal of prayer, but we must use the key.

The Power Trinidez McColen, 2018-06-19. Power is a book of just small knowledge and it understands what it takes to be sincere and to think clear. It is a book created out of life, a great treat of knowledge and experiences. This book is purely respectful and joyful in its own way. These are the words that can help better a person's mind in the mist of time. It is a book of shared experiences for the readers to contemplate and challenge all obstacles that life throws at them. Power is what everyone wants, but this kind of power is brainpower that betters a person's mind at any giving time.

The Power of Prayer and the Prayer of Power R. A. Torrey, 2023-06-23. The great need of the church today and of human society as a whole is a genuine God-sent revival. It is either revival or revolution, and a revolution that will plunge human society and civilization into chaos and utter confusion. It is a time of wide-spread apostasy. This may be the last apostasy from which we will be saved by the return of our Lord Jesus to this earth to take the reins of government into His own thoroughly competent hands. That would of course be the greatest and most glorious of all revivals, and a revival that would never end. But we do not know that this is the final apostasy. There have been more thoroughgoing and appalling apostasies in the past than this one is at the present hour. The apostasy in England in the time of the Wesleys and in America at the time of Jonathan Edwards was far more complete than the present apostasy is. The apostasy in this country at the opening of the nineteenth century was far more appalling, at least as regards university life, than the apostasy of today. It was the revival under the Wesleys and their associates that saved the church and saved civilization in their day. Even so, thoroughgoing a rationalist as Lecky the historian admits that it was the revival under the Wesleys that saved civilization in England. And it was the Great Awakening under the leadership of Jonathan Edwards and others that saved the church in America. Our sorest need today is a deep, thoroughgoing Spirit-wrought God-sent revival. Such revivals, as far as man's agency is concerned, always come in one way, by prayer.
