

Preach Paul

Duane Litfin

Preach Paul:

We Preach Not Ourselves Michael P. Knowles, 2008-04 Holds Paul up as a model of faithful and effective preaching to help pastors and seminarians evaluate their own preaching

Paul's Theology of Preaching Duane Litfin, 2015-06-22 Duane Litfin former president of Wheaton College explores how Paul's theology of preaching can inform the church's preaching today Through a detailed study of 1 Corinthians 1:4 Litfin shows how Paul's method of proclamation differed from Greco-Roman rhetoric and how Pauline preaching can be a model for the contemporary preaching task

Preaching from the Cross Frank J. Matera, 2015-02-11 Much has been written about the life, ministry, and theology of the apostle Paul. But what about Paul specifically as a preacher? How did he understand his commission from the risen Lord Jesus to preach the gospel, and how did he put it into practice? Further, what lessons can contemporary preachers learn from Paul about the theology and practice of preaching to help them be more faithful messengers of God's Word? As a leading Pauline scholar and practicing pastor, Frank Matera has considered these questions, and he offers this short, accessible book to pastors and students as wise and helpful guidance. Matera explores a Pauline theology of preaching, focusing on three main questions: Why did Paul preach? What did he preach? And how did he preach? He also explores Paul's preaching as the ministry of the new covenant. He identifies and explores seven themes of Paul's preaching, which in turn offer key practical insights for preaching in a Pauline way. Readers are encouraged to preach from the cross, making the crucified Christ their focus and their model, demonstrating what they preach by their own cruciform lives.

Preaching Paul Dr. Brad R. Braxton, 2010-08-01 Helpful and insightful strategies for preaching from the writings of Paul. Few biblical figures are more compelling to preachers than the apostle Paul. The story of his dramatic conversion on the road to Damascus is a favorite example of the way that God turns lives around. His writings contain the earliest witness we have to the Christian gospel. His message of God's offer of grace in the life, death, and resurrection of Jesus Christ is deeply appealing. So why is it that when it comes time to choose a text for this Sunday's sermon, preachers so often choose something other than Paul? When Brad Braxton asked himself that question, he realized that preachers are often daunted by the size and complexity of the Pauline corpus. Drawing on his expertise as a New Testament scholar and homiletics professor, as well as on his experience as a pastor, Braxton offers the reader tools with which to wrestle more effectively with the complex yet essential message of Paul. Eschewing either a solely historical approach or a completely spiritual one, the author brings the two together to explore the meaning of Paul's message in its original context as well as its contemporary application. Written with imagination and depth of understanding, this book is for anyone who wishes to know Paul better and to preach from his letters more effectively.

Strategies for Preaching Paul Frank J. Matera, 2001 Despite their importance, Paul's teachings seldom are proclaimed from the pulpit. In *Strategies for Preaching Paul*, Matera provides pastors with the comprehensive background needed to successfully preach the Pauline readings. It provides preachers with three strategies for preaching the Pauline readings in the Sunday Lectionary.
