Preaching Resurrection

Isaac Newton Corns

Preaching Resurrection:

Great Preaching on the Resurrection, 1984 Nineteen sermons on the resurrection of Christ taken from the pages of *The Sword Of The Lord* *Easter in St. Paul's* Henry Parry Liddon, 1890 Classic Sermons on the Resurrection of Christ Warren W. Wiersbe, 1990-06-01 Warren Wiersbe has compiled meaningful sermons from the church's great preachers in this topical series Filled with illustrative material for pastors and also excellent for personal devotions **The Future of Preaching** Geoffrey Stevenson, 2010-01-01 Preaching remains a central feature of almost all Christian worship There are thousands of men and women in the UK who preach on a regular basis clergy of all denominations Readers Local Preachers Lay Preachers Chaplains etc This book edited and contributed to by some of the leading authors in this field seeks to make a substantial and authoritative contribution to the teaching and learning of preaching The contributors offer reflections on subjects such as Preaching in a Communications Culture Preaching and the Bible Preaching and Personality Types the Life of the Preacher and Educating Future Preachers *Third Voice* Michael P. Knowles, 2021-01-14 What makes for powerful preaching Careful exegesis logical structure interesting illustrations and clear speech can all help But truly transformative preaching depends on divine power not human skill alone Those who would reduce preaching to simple systems or sure fire strategies for success will find little of interest here Instead this book appeals to those pastors and academics alike who find themselves confounded by the occasional futility of their best preaching and the unexpected success of their worst It invites readers to enter more deeply into the uncontrollable mystery that attends all efforts to speak in the name of Christ above all on the topic of resurrection Although the gospel always turns our attention to the crucified and risen Lord preaching about resurrection calls us to trust that the same God who raised Jesus from death will likewise grant life to us as preachers to our sermons and to our hearers alike Drawing on resources as diverse as Luther's understanding of the Christian gospel Speech Act theory and Bhabha's concept of Third Space *Third Voice Preaching Resurrection* argues that the true key to effective preaching is not rhetoric but spirituality **School of Acts The Gifts and Operations of God 2nd Edition** Eric Casto, 2025-02-19 On the day of Pentecost the Holy Spirit was poured out like a mighty rushing wind The nations present in Jerusalem heard the miracle of new tongues and on the first day of the church 3000 people were born again These early believers loved not their lives to death and through their faith and sacrifice the world was being turned upside down This study on the book of Acts is designed to help the student of the Bible gain a fresh look at God's living blueprint for the church Through consolidation of references in each module the School of Acts will quickly become a tremendous resource for churches Bible schools and prayer groups Jesus is coming and before He appears we must be found doing The harvest fields of the Lord demand laborers and this study guide is a field training manual for success in life and ministry *Spurgeon's Sermons on the Death and Resurrection of Jesus* Charles Haddon Spurgeon, 2005 LBC Collection copy was presented to Lancaster Bible College in honor of Charlie Jones for the Charles Gloria Jones Library Bob and Sue Sanner **Forty**

sermons on various subjects, selected [and reissued] from 'The Penny pulpit'. Forty-one sermons [&c.]. Forty-two sermons [&c.]. Forty-two sermons [&c.]. Henry Parry Liddon,1886 *The Last Things* George E. Ladd,2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books Many of these however are popularized accounts containing little thoughtful biblical scholarship Yet the serious studies available are often too difficult for the average reader to understand George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments Professor Ladd holds the latter position basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy Only as the prophecies are seen in the light of God s revelation through Christ can we clearly comprehend what they mean in relation to the end times **We Command Life** Isaac Newton Corns,2026-03-20 The Resurrection Power Library Set 1 We Command Life declares that Christ s resurrection power is not historical symbolic or reserved for a future moment but lives in us now as present authority present life and present dominion We do not stand before death as observers without answer but as the Body of Christ through whom the risen Lord speaks commands and manifests His victory This collection confronts every claim of finality grave time decay cremation and loss and establishes that Christ s finished work remains active in us and His life is expressed through us wherever death appears AG414 Books in this set We Command Life Where Death Has Spoken We Carry the Resurrection of Christ Into Every Grave We Do Not Accept the Finality of Death We Speak and the Dead Must Hear Christ s Voice We Release the Life That Conquered the Tomb We Stand as the Body of Resurrection Power We Enforce Christ s Victory Over Every Dead Thing AG214 *Sermons of Rev. C.H. Spurgeon of London ...* Charles Haddon Spurgeon,1883 **A Study of the Resurrection of Jesus Christ** Andrew de Ville,2018-09 The resurrection of Jesus Christ from the dead is one of the most critical events in history along with His BIBLE STUDY incarnation and death the implications of which are far reaching for humanity This book focuses on the biblical presentation of the resurrection The content has been divided into six parts as follows In The resurrection defined we explore what is involved in the concept of resurrection In particular that the resurrection necessarily involved the Lord s physical body is stressed The resurrection foretold focuses on the occasions when the Lord spoke in advance of His death and resurrection and how his disciples reacted to these revelations The resurrection fulfilled contains the heart of the book dealing in detail with the post resurrection appearances of the Lord Jesus Christ The importance of these appearances is considered along with the practical lessons for Christians today The resurrection preached deals with the focus on the resurrection in the preaching in Acts of both Peter and Paul The preaching of these two apostles is studied as a worthy pattern for the modern day gospel preacher particularly the focus given to the resurrection The resurrection

taught contains an exploration of some doctrinal implications of the resurrection of Christ in the epistles on the New Testament this will be found to be both practical and far reaching The resurrection typified explores some Old Testament types of the resurrection of Christ *Invasion of the Dead* Brian K. Blount, 2014-01-24 Our world and our churches are neither sinful nor lost they are dead This dead world is the one that God engages and into which Jesus invaded with a radically different vision of life In this groundbreaking work based on his 211 Yale Beecher lectures Brian K Blount helps preachers effectively proclaim resurrection in a world consumed by death Recognizing that both popular culture and popular Christianity are mesmerized by death and dying Blount offers an alternative apocalyptic vision for our time one that starts with a clear vision of life that obliterates death and reveals life s essence Blount explores the portrait and meaning of resurrection through the New Testament the Book of Revelation the letters of Paul and the Gospel of Mark and explores how to biblically and theologically reconfigure apocalyptic preaching for today With three illustrative sermons this book is an ideal resource to help preachers proclaim the power of resurrection **Death, the End of History, and Beyond** Greg Carey, 2023-01-31 What happens at the end of our lives and of the course of history Will God bring about a just and peaceful world What lies beyond this realm and what can we know of the beings who dwell there In *Death the End of History and Beyond* Greg Carey offers resources for understanding multiple even conflicting ways that the Bible imagines these ultimate realities Carey opens the Scriptures with a breadth of insight that acknowledges its diversity of viewpoints about what lies beyond the veil centering hope in God s action to bring good out of evil in our lived realities in our personal journeys through death and in visions of resurrection and justice restored An appendix on preaching also invites clergy to help their communities imagine when and how eschatology can inform our lives today **A Sermon Preached at St. Oswald's Church, Arncliffe on the First Sunday After Easter 1887, After the Funeral of Mr. Richard Mason** William Arthur Shuffrey, 1887 [Training for Preaching](#) B. Nordkamp, L. Balink, 1992 *If a Sermon Falls in the Forest--* William Henry Shepherd, 2002 Solidly grounded in contemporary biblical scholarship this fascinating volume analyzes each of the major New Testament writers Matthew Mark Luke John Paul and places their accounts of Jesus resurrection in the broader context of their entire output Shepherd carefully studies the literary historical theological anthropological and sociological dimensions that color each writer s unique view of the resurrection and examines how these passages may be read in various interpretive communities Each section also includes sample sermons that illustrate how a preacher might treat these texts for an actual congregation This is an excellent resource for pastors and an informative easy to read manual for anyone who wants a deeper understanding of the New Testament **The First Epistle to the Corinthians** Henry Leighton Goudge, 1909 **Westminster Commentaries** Walter Lock, David Capell Simpson, 1909 **The First Epistle to the Corinthians**, 1911
