

YOUCAT Bible: Pope Francis's Preface

missio
Today. Tomorrow. Together.

*To help schools' journey through *The Year of the Word: The God Who Speaks* we've taken excerpts from Papal texts concerning young people and scripture. The excerpt below comes from the preface to the YOUCAT Bible. YOUCAT stands for the faith of the Catholic Church: vividly explained, innovatively presented, officially confirmed. For more information and to purchase the Bible, visit youcat.org.*

My dear young friends:

if you could see my Bible, you would not be particularly impressed. What—that's the Pope's Bible? Such an old, worn-out book!

You could buy me a new one for \$1,000, but I would not want it. I love my old Bible, which has accompanied me half my life. It has been with me in my times of joy and times of tears. It is my most precious treasure. I live out of it, and I wouldn't give anything in the world for it.

I really like this new Youth Bible. It's so colourful, so rich in testimonies: testimonies of the saints, testimonies of young people. It is so inviting that when you start to read at the beginning, you can't stop until the last page.

And then ...? And then it disappears on a shelf, collecting dust. Your children find it one day and bring it to the flea market.

It must not come to that.

I'll tell you something: There are more persecuted Christians in the world today than in the early days of the Church. And why are they persecuted? They are persecuted because they wear a cross and bear witness to Jesus. They are convicted because they own a Bible. The Bible is therefore a highly dangerous book—so dangerous that you are treated in some countries as if you were hiding hand grenades in your closet.

It was a non-Christian, Mahatma Gandhi, who once said: "You Christians look after a document containing enough dynamite to blow all civilization to pieces, turn the world upside down, and bring peace to a battle-torn planet. But you treat it as though it is nothing more than a piece of literature."

So what do you have in your hands? A piece of literature? Some nice old stories? Then you would have to say to the many Christians who go to prison or are tortured because they own a Bible: "How foolish you are; it's just a piece of literature!"

No. By the word of God has Light come into the world, and it will never go out. In *Evangelii Gaudium* (175) I said, "We do not blindly seek God, or wait for him to speak to us first, for 'God has already spoken, and there is nothing further that we need to know, which has not been revealed to us.' Let us receive the sublime treasure of the revealed word."

So you have something divine in your hands: a book like fire! A book through which God speaks. So notice: The Bible is not meant to be placed on a shelf, but to be in your hands, to read often—every day, both on

Preface To Pope Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Preface To Pope free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Preface To Pope free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Preface To Pope free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Preface To Pope. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for

everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files.
