

A night photograph of a city skyline. The sky is a deep, dark blue. In the foreground, a dark, flat roof of a building is visible, with several rectangular lights or panels. In the middle ground, several tall, dark buildings are illuminated from within, with many windows glowing with warm light. One prominent building in the center has a vertical strip of light that appears to be a different color, possibly green or yellow. In the background, more buildings are visible, some with lights on, and a few distant lights on the horizon. The overall scene is a dense urban environment at night.
