Men Who Robbed Brinks:

The Men Who Robbed Brink's Specs O'Keefe, Joseph James O'Keefe, Bob Considine, 2012-10-01 **Big Stick-Up at Brink's!** Noel Behn, 2016-06-14 A riveting and frequently hilarious insider account of one of the twentieth century's most outrageous capers. On the evening of January 17, 1950, armed robbers wearing Captain Marvel masks entered the Brink's Armored Car building in Boston, Massachusetts. They walked out less than an hour later with more than 27 million in cash and securities. It was a brazen and expertly executed theft that captured the imaginations of millions of Americans and baffled the FBI and local law enforcement officials. But what appeared on the surface to be the perfect crime was in fact the end result of a mind-boggling series of mistakes, miscalculations, and missteps. The men behind the masks were not expert bank robbers but a motley crew of small-time crooks who bumped their way into a record-breaking payday and managed to elude the long arm of the law for six years. New York Times bestselling author Noel Behn tape-recorded nearly one thousand hours of interviews with the surviving robbers, including motormouthed mastermind Tony Pino, a character so colorful he might have been dreamed up by a Hollywood screenwriter to tell the uncensored story of the heist forever known as the Great Brink's Robbery. Fun and suspenseful from first page to last, Behn's true crime classic was the basis for *The Brink's Job*, 1978, the Academy Award-nominated film directed by William Friedkin and starring Peter Falk and Peter Boyle. *Crimes of the Centuries* Steven Chermak Ph.D., Frankie Y. Bailey, 2016-01-25 This multivolume resource is the most extensive reference of its kind, offering a comprehensive summary of the misdeeds, perpetrators, and victims involved in the most memorable crime events in American history. This unique reference features the most famous crimes and trials in the United States since colonial times. Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America's justice system, including the life and wrongdoing of Lizzie Borden, the bombing of the Sixteenth Street Baptist Church, the killing spree and execution of Ted Bundy, and the Columbine High School shootings. Organized by case, the work includes a chronology of major unlawful deeds, fascinating primary source documents, dozens of sidebars with case trivia and little-known facts, and an overview of crimes that have shaped criminal justice in the United States over several centuries. Each of the 500 entries provides information about the crime, the perpetrators, and those affected by the misconduct, along with a short bibliography to extend learning opportunities. The set addresses a breadth of famous trials across American history, including the Salem witch trials, the conviction of Sacco and Vanzetti, and the prosecution of O.J. Simpson. Armed Robbery John Marshall Macdonald, 1975 *Big Stick-up at Brink's!* Noel Behn, 1978 LIFE, 1956-01-23 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search, and view photos of today's people and events. They have free access to share, print, and post images for personal use. **The Men who Robbed Brink's** Joseph James O'Keefe, 1961 O'Keefe was one of the eleven men who participated in the Brink's robbery and

was a key figure in the FBI's solution of the case *American Detective* Thomas A. Reppetto, 2018-06-01 From the Roaring Twenties to the 1970s detectives reigned supreme in police departments across the country In this tightly woven slice of true crime reportage Thomas A Reppetto offers a behind the scenes look into some of the most notable investigations to occur during the golden age of the detective in American criminal justice From William Burns who during his heyday was known as America's Sherlock Holmes to Thad Brown who probed the notorious Black Dahlia murder in Los Angeles to Elliott Ness who cleaned up the Cleveland police but failed to capture the Mad Butcher who decapitated at least a dozen victims American Detective offers an indelible portrait of the famous sleuths and investigators who played a major role in cracking some of the most notorious criminal cases in U S history Along the way Reppetto takes us deep inside the detective bureaus that were once the nerve centers behind crime fighting on the streets of America's great cities including the FBI itself under the direction of America's top cop J Edgar Hoover According to Reppetto detectives were once able watchdogs until their role in policing became diluted by patrol strategies ranging from stop and frisk to community policing Reppetto argues against these current policing systems and calls for a return to the primacy of the detective in criminal investigations Purchase the audio edition
