And then suddenly he stopped contacting you, stopped responding to your messages and calls, and is no longer available for dates. He is acting distant and cold and has told you that he needs space and to be alone. He no longer texts you like he did in the beginning, preferring to go out with friends or stay home alone. There is a process you need to understand. When a man meets you, he is attracted to you and thinks, "I want to get to know her better."
