Problem Of Christianity

Josiah Royce

Problem Of Christianity:

The Problem of Christianity Josiah Royce, 2001 Josiah Royce's late masterpiece *The Problem of Christianity* is based on a series of lectures he delivered at Manchester College Oxford in 1913. It presents his philosophical interpretation of Christianity's fundamental ideas: community, sin, atonement, and saving grace, showing their relevance to the current confluence of world religions and grounds his position upon a personal transformation into genuine loyalty toward the community of the entire human family. *The Problem* opens up a mine of surprising treasures while its prophetic voice speaks to contemporary issues and current movements in ecumenics and inter-religious dialogue. Frank M. Oppenheim's new introduction highlights its relevance to some of the pressing problems of the new century. A notable contribution to the interpretation of Christian ideas, *The Nation* Royce has contributed largely to the treasures of religious thought. *New York Times* *The Problem of Christianity* Josiah Royce, 1918 **The Problem of Christianity: The Christian doctrine of life** Josiah Royce, 1913

The Problem of Christianity: The real world and the Christian ideas Josiah Royce, 1913 [The Problem of Christianity](#) Josiah Royce, 1913 **The Problem of God** Mark Clark, 2017-08-22 *The Problem of God* explores answers to the most difficult questions raised against Christianity. A skeptic who became a Christian and then a pastor, author Mark Clark grew up in an atheistic home. After his father's death, he began a skeptical search for truth through the fields of science, philosophy, and history, eventually finding answers in the last place he expected: Christianity. In a winsome, persuasive, and humble voice, *The Problem of God* responds to the top ten interrogations people bring against God and Christianity, including: Does God even exist in the first place? What do we do with Christianity's violent history? Is Jesus just another myth? Can the Bible be trusted? Why should we believe in Hell anymore today? Each chapter answers the specific challenge using a mix of theology, philosophy, and science. Filled with compelling stories and anecdotes, *The Problem of God* presents an organized and easy-to-understand range of apologetics focused on both convincing the skeptic and informing the Christian. The book concludes with Christianity's most audacious assertion: how should we respond to Jesus' claim that he is God and the only way to salvation. **The Problem of Christianity** Josiah Royce, 1913 *The Problem of Christianity* Josiah Royce, 1913 **The Problem Of Christianity** Josiah Royce, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
