Unfinished Business Dana Renga,2013-01-01 Unfinished Business is the first book to examine Italian mafia cinema of the past decade It provides insightful analyses of popular films that sensationalize violence scapegoat women or repress the homosexuality of male protagonists Dana Renga examines these works through the lens of gender and trauma theory to show how the films engage with the process of mourning and healing mafia related trauma in Italy Unfinished Business argues that trauma that has yet to be worked through on the national level is displaced onto the characters in the films under consideration In a mafia context female characters are sacrificed and non normative sexual identities are suppressed in order to solidify traditional modes of viewer identification and to assure narrative closure all so that the image of the nation is left unblemished *The Gigolo Murder* Mehmet Murat Somer,2010-07-09 Devastated by the end of her relationship our heroine swaps her catsuit for pyjamas and hides away from the world But her friends from the nightclub refuse to let her waste away in self pity and drag her out to make up the numbers for a party Only full make up will suffice and there's serious grooming to be done before our girl's up to the challenge her state of misery has left her so thin that even her favourite Audrey Hepburn number doesn't cling the way it should At the soiree she becomes entranced with a powerful married man but it's

unlikely their paths will cross again Until a body is found in the street stabbed to death the victim a gigolo has connections to the object of her affection And it seems that the gigolo lifestyle can leave one ahem exposed to hidden dangers Our girl valiantly agrees to take on the case any meetings with her beloved are an incidental added bonus Advances in Forensic Haemogenetics H.F.
